

Our Mandate

FICCI Asean & Pacific Division

FICCI ASEAN & PACIFIC division undertakes to deepen & enhance economic, social and cultural bonds between India and the Asean & Oceanic Countries, by acting as a catalyst for facilitating & strengthening these friendly ties. The division provides platform to Indian business communities from these countries to interact and explore numerous business opportunities on an on going basis.

The division works closely with the Ministries of Commerce, Industry & External Affairs, It has well established ties with all Asean & Oceanic Missions in New Delhi and with Indian Missions in those countries. The efforts have enabled the division to meet its intended goals of promoting trade and investments between India and the ASEAN & Oceanic Countries.

The division has created a niche for itself in extending assistance to the businesses; take the issues of concerns/ matters appropriately.

Key Accomplishments

MOUs have been signed with the leading Chambers of Commerce and other apex organisations of the Asean & Oceanic Region.

In order to identify bottlenecks and accelerate the pace of economic and commercial relations between India and the ASEAN countries, the division organises Joint Business Council (JBCs) Meetings with ASEAN and Pacific Counties on a regular basis, besides other meetings across sectors, delegations both (Inbound & outbound) Head of state visits and visits of other Ministers.

Key objectives

- Facilitate Corporate Enterprises of India and the ASEAN for enhancing:
- Investments & Joint Ventures
- Collaborations
- Marketing Tie ups
