Travel & Tourism sector outpaced the global economic growth for the eighth consecutive year in 2018 and grew at 3.9% during the year – higher the global GDP growth of 3.2%. The sector contributed USD 8.8 trillion to the global economy and accounted for 319 million jobs, equivalent to one in every ten jobs. The scale of growth and importance of the sector is also evident from the fact that one in five of all new jobs created in the world over the last five years has been in travel & tourism.

The sector has also been an integral part of India’s growth story, accounting for 9.2% of India’s GDP and 42.7 million jobs in 2018. Diverse portfolio of tourism offerings including traditional and emerging themes of tourism, including Nature-based, Heritage & Cultural, Religious, Adventure, Medical & Wellness, MICE and Wedding, among others have been a key attraction for domestic and foreign tourists. Strong domestic demand and economic growth, price competitive offerings, infrastructure development, and emergence of new destinations and niche tourism products will continue to drive the growth of the industry in the near future.

The Government has been actively working towards tapping plethora of opportunities available in the sector to actualize its true potential. Several initiatives such as rapid implementation of Swadesh Darshan and PRASHAD schemes, E-Visa for citizens from 166 countries for visit to India through 28 international airports and 5 sea airports and Adventure Tourism Guidelines, among others coupled with promotional activities such as Incredible India 2.0 campaign and India Tourism Mart 2018 have immensely benefited the sector.

Going forward, there is a greater need for the Government and the private sector to collaborate for successful conceptualization and implementation of developmental initiatives for the sector. The industry has to collectively work with the Government towards thematic development of the destinations and skilling of local communities. There is also a need for intervention in conservation and promotion of our natural resources, heritage and traditional arts & culture. Technology can be a key enabler and play a critical role in unprecedented growth of the sector.

I am pleased to present the FICCI – YES BANK Knowledge Report ‘India Inbound Tourism: Unlocking the Opportunity’ which highlights the current scenario and key themes shaping inbound tourism in India. The report also showcases the initiatives being undertaken by the Central & State Governments and provides key recommendations for India to become a Preferred Tourism Destination globally.

Sincerely,

Dr. Jyotsna Suri
Past President, FICCI;
Chairperson, FICCI Tourism Committee & CMD, The Lalit Suri Hospitality Group

4. Way Forward 91
Executive Summary
Tourism has emerged as one of the key enablers of growth worldwide. The sector significantly contributes towards socio-economic progress through employment generation, foreign exchange earnings and infrastructure development. In 2018, the sector continued its upward growth trend and outperformed the global economic growth. While the global economy grew at 3.2% in 2018, travel & tourism witnessed a growth of 3.9% - higher than sectors such as construction, retail & wholesale, and healthcare. The contribution of tourism to global GDP was USD 2.75 trillion, accounting for 10.4% of the global GDP. One in five of all new jobs created across the world during the last 5 years have been in tourism with nearly 319 million people working directly or indirectly in the sector.

India has emerged as tourism powerhouse over the recent years and is the 8th largest country in terms of contribution to travel & tourism GDP. In 2018, the sector generated USD 247.3 billion and was the source of livelihood generation for 42.7 million people. Foreign Tourist Arrivals crossed the 10 million milestone in 2017 and the growth trend is expected to continue over the coming years. However, consumption by domestic tourists remains the key strength of the sector in India, much stronger than the global average. The segment is expected to grow further with growing disposable income, increasing inclination towards traveling across age groups and emergence of new destinations as well as new themes of tourism. India also follows the global trend in terms of higher spending on leisure tourism as compared to business spending.

The top 10 source countries accounted for 65.80% of the total inbound tourist flows in 2017, which includes Bangladesh, United States, United Kingdom, Canada and Australia. Foreign tourist arrivals from most of the top source countries grew during the last few years. China, the largest market for outbound tourism, however witnessed a marginal dip. The introduction of E-Visa has led to a strong surge in Foreign Tourist Arrivals since its launch in September, 2014. This scheme has been extended to citizens from 166 countries for visit to India through 28 international airports and 5 sea airports. In 2018, 2.37 million foreign tourists availed the E-Visa facility which represents 39.4% increase over 2017.
The Government of India has recently been focusing upon fast-track infrastructure development and promoting tourism digitally. Sustained efforts have led to a jump of 25 places in World Economic Forum Travel & Tourism Competitiveness Index ranking between 2013 and 2017. Infrastructure development for various thematic segments across the country has received a significant boost through the Swadesh Darshan and PRASHAD schemes. Further, initiatives such as 24x7 Tourist Helpline in 12 international languages, Swachh Paryatan Mobile App, launch of Adventure Tourism Guidelines, among others have positively impacted the sector. The Government has been actively engaging on the publicity & promotion front as well and has launched the Incredible India 2.0 campaign with market specific content and advertising. Efforts of the Ministry of Tourism have been complemented by progressive initiatives by other ministries, such as UDAN scheme by the Ministry of Civil Aviation, tourist trains by the Ministry of Railways, Sagarmala project and development of lighthouses by the Ministry of Shipping, among others.

Traditional themes of culture & heritage, religious and nature-based Tourism are still the frontrunners shaping the inbound tourism landscape in India. Rich history & vibrant culture, deeply entrenched faith in religion and unparalleled diversity in natural resources present a distinct advantage to India. The country is widely recognized for these unique offerings which also come at a very competitive price. While these segment remain popular among domestic as well as foreign tourists, India is gradually also gaining popularity in some emerging segments of tourism. Availability of medical experts offering specialty treatment, advanced equipment and low cost have positioned India as a preferred medical tourism destination in several international markets. Further, India is also home to ancient medical and wellness practices of AYUSH. Adventure tourism is another rapidly growing segment which has a tremendous potential based on the diverse natural landscape on offer in India. With growing number of travel aggregators, startups and travel operators offerings unique and adventurous experience, and increasing interest among the youth and urban dwellers for adventurous getaways, the segment is expected to witness exponential growth. India has been a late entrant in the MICE Tourism segment. However, the country is in the process of upgrading its MICE infrastructure. The sector is poised to benefit from strong economic growth and growing emergence of India on the global & regional business map.

Rapid growth in India’s Travel & Tourism sector over the recent years, significant jump in international rankings, and rise in the Travel & Tourism GDP are testimony of India’s enormous potential in the sector. However, there is a much greater opportunity available which can propel India among the top ranked tourism destinations in the world. In order to achieve India’s ambitious growth targets and make India a Tourism Superpower, coordinated and concerted efforts on multiple fronts will be required. Key recommendations include:

1. **Tourism Competitiveness Index/ Ease of Doing Business (EoDB) Rankings for States/ UTs**
2. **Creation of National Tourism Authority & Advisory Council**
3. **Incentivize Private Sector Participation**
4. **Rationalizing GST for Hotels**
5. **Land Bank Repository**
6. **Greater Coordination at State level**
7. Upgrading Government-owned Infrastructure through Private Sector Participation
8. Industry-oriented Skill Development
9. Supporting Small Enterprises
10. Leveraging Social Media to Boost Inbound Tourism
11. Technology Penetration in Tourism Sector
12. Combined VISA Option
13. Focus on Source Markets
14. Focus on North East India
1. Travel & Tourism: Overview

Tourism sector has emerged as one of the key services sector enabling growth worldwide. It has significantly contributed towards socio-economic progress through employment generation, foreign exchange earnings and infrastructure development. The sector has multiplier impact on several other services of economy and the direct contribution together with its indirect and induced contribution forms one of the most critical pillars supporting the global economy.

1.1 Global Tourism Scenario

The global tourism sector has witnessed robust growth in 2018, outperforming the global economic growth for eighth consecutive year. While the global economy grew at 3.2% in 2018, travel & tourism witnessed a growth of 3.9% - higher than sectors such as construction, retail & wholesale, and healthcare.

In 2018, direct contribution of Tourism was USD 2.75 trillion whereas the total contribution was pegged at USD 8.81 trillion, accounting for 10.4% of the global GDP.

**Figure 1: Total Contribution of Tourism to Global GDP (USD trillion)**

Source: WTTC Travel & Tourism Economic Impact 2019 World
The sector accounted for 10.0% of employment, supporting nearly 319 million jobs, globally. Over the last 5 years, one in five of all new jobs created across the world has been in tourism.

Source: WTTC Travel & Tourism Economic Impact 2019

Europe accounts for the largest GDP share, contributing USD 2.2 trillion to the economy followed by North East Asia and North America at USD 2.1 trillion and 1.9 trillion respectively. South East Asia emerged as the fastest growing market, witnessing a growth of 7.2% led by strong growth in India¹.

In 2018, International Tourist Arrivals increased 6% to reach 1.4 billion globally. As per UNWTO 2010 forecasts, this figure was expected to achieve in 2020. However, the strong growth in the sector beats the estimates by a margin of 2 years. Europe accounts for more than half of the international tourist arrivals followed by Asia and the Pacific. The growth in international tourist arrivals is expected to be 3-4% in 2019².

Figure 2: International Tourist Arrivals by Geography 2018

Visitor exports also witnessed growth led by strong growth in international tourist arrivals. In 2018, visitor exports generated worldwide have been estimated to be USD 1.64 trillion. This is expected to grow by 4% in 2019 and 3.8% pa to reach USD 2.48 trillion by 2029.

¹ WTTC Travel & Tourism Economic Impact 2019
² UNWTO World Tourism Barometer
A large share of Tourism spending is attributed to domestic travel spending. In 2018, domestic spending share stood at 71.2% globally. Among the top 15 largest travel & tourism economies, only Thailand and Spain had share of international travel spending higher than domestic spending, at 80.2% and 55.2% respectively. Further, leisure spending accounted for 78.5%, significantly higher than business travel.

Figure 3: Travel & Tourism Contribution to GDP by Segment 2018

The sector attracted capital investment of USD 940.9 billion in 2018, accounting for 4.4% of the total capital investment globally. The investment is expected to reach USD 1,489.5 billion by 2029.

1.2 Travel & Tourism in India

India is the 8th largest country in terms of contribution to travel & tourism GDP. The sector generated USD 247.3 billion (INR 16.91 trillion) in 2018, growing 6.7% during the year and accounting for 9.2% of the total economy. The country is largest market in South Asia and has been the key driver for growth of the sector in the region. In 2019, the sector expected to grow by 8.5% to contribute INR 18.34 trillion to the economy and account for 9.3% of the GDP. Further by 2029, it is forecast to grow at 6.7% p.a to reach INR 35 trillion and taking its share to 9.6% of GDP.

Figure 4: Travel & Tourism Total Contribution to India’s GDP (INR trillion)

However, there is tremendous potential to upscale the sector as its contribution to India’s GDP remains lower than the contribution of in the sector to the world economy. In some of the advanced tourism regions, particularly in countries such as Greece, New Zealand, Philippines and Thailand, amongst others, the sector contributes more than 15% to their respective GDPs. Therefore, there is upward potential for tourism to increase its share in India’s GDP in line with other regions.

1 WTTC Travel & Tourism Economic Impact 2019
2 WTTC India Annual Research 2019
3 WTTC India Annual Research
The country has seen significant jump in the Travel & Tourism Competitiveness ranking by the World Economic Forum, rising from 65th position in 2013 to 40th in 2017 making India one the most improved nations. India excels on parameters such as natural resources (24th), cultural resources and business travel (9th) and price competitiveness (10th). Further, e-Visa initiative has helped India climb up 14 places in the International Openness parameter to 55th position. Certain other parameters, although have seen improvement, which negatively impact India’s rank are business environment (89th), health and hygiene (104th), ICT readiness (112th), safety and security (114th), human resources and labor market (87th) and tourist service infrastructure (110th).\(^6\)

India has also emerged a tourism powerhouse in WTTC Travel & Tourism Power and Performance Report 2018. India has been ranked 3rd in Travel & Tourism Countries Power Ranking which are based on 4 key indicators: total travel & tourism GDP, foreign visitor spending (visitor exports), domestic spending, and travel & tourism capital investment.\(^7\)

---

\(^6\) World Economic Forum Travel & Tourism Competitiveness Report, 2017

\(^7\) WTTC Travel & Tourism Power and Performance Report 2018
The sector has been a key source of employment as well, directly accounting for 26.7 million jobs in 2018. Further, the total jobs from indirect and induced activity stood at 42.7 million. The number is estimated to reach 43.7 million in 2019, accounting for 8.1% of the total employment in the country. By 2029, the sector is expected to provide employment to nearly 53 million people, directly and indirectly.

**Figure 7: Total Contribution to Employment (in million)**

![Chart showing total contribution to employment from 2013 to 2029](chart.png)

Source: WTTC India Annual Research 2019

Tourism in India has traditionally been driven by domestic visitors. Major share of tourist footfall and tourism spending can be attributed to domestic travelers. The overall number of tourist is on the rise in India. In 2017, total number of domestic tourist visits (DTVs) to states and Union Territories stood at 1652.5 million, registering a growth of 2.3% over 2016. Foreign tourist arrivals (FTAs) crossed the 10 million milestone in 2017 with a total of 10.04 million tourists visiting India, registering a growth of 14% over 2016. During Jan-Nov 2018, the FTA was 9.37 million, registering a growth of 5.6% over the same period in 2017. However, India still has a considerably small share of FTAs in world’s International Tourists arrivals, accounting for nearly 0.76% in 2017. The Government of India has set a target of increasing this share to 1% by 2020 and 2% by 2025.

---

8 WTTC India Annual Research 2019
9 WTTC India Annual Research 2019
10 India Tourism Statistics At A Glance – 2018, Ministry of Tourism, Government of India
The sector has also emerged as 3rd largest foreign exchange earner for the country. In 2018, Foreign Exchange Earnings (FEE) from tourism stood at USD 28.9 billion (INR 1.97 trillion) which accounted for 5.4% of the total exports. The contribution is further expected to increase by 6.8% in 2019 and rise by 5.6% p.a. by 2029 to reach INR 3.63 trillion. However, India ranks 14th in terms of absolute FEE and 122nd in terms of share of visitor exports in total export.

India is also the 3rd largest globally in terms of investment in travel & tourism with an investment of USD 45.7 billion (INR 3.12 trillion) in 2018, accounting for 5.9% of national investment. This is expected to increase by 9.4% in 2019 to INR 3.42 trillion, and further rise by 7.4% p.a. till 2029, taking the share in national investment to 6.1%

Leisure spending dominates the tourism spending and is much higher than the world average. Similarly, spend by domestic tourists is much higher than the spending by foreign tourists.

---

Source: India Tourism Statistics At A Glance – 2018, Ministry of Tourism, Government of India

Source: Ministry of Tourism, Government of India

11 WTTC India Annual Research 2019
FTAs exhibit a seasonal trend and fewer foreign tourists visit India during the peak summer months due to high temperatures in most part of the country. The spell continues in monsoons as well and the FTA activity majorly picks with the onset of the winter season.

Figure 11: Seasonality in Foreign Tourist Arrival

1.3 India Inbound Tourism: Source Countries

The top 10 source countries accounted for 65.80% of the total inbound tourist flows in 2017 according to Bureau of Immigration, Government of India. Bangladesh (21.49%), United States (13.72%) & United Kingdom (9.83%) were the top 3.
1.3.1 Demand Analysis of Foreign Tourist Arrivals

Foreign Tourist Arrivals from India’s top 10 source countries (excluding citizens of Bangladesh) grew at a CAGR of 5.24% during 2013-17 with the US and the UK being the two largest source markets. Australia was the market where India witnessed highest CAGR of 10.31% followed by Malaysia during 2013-17.

Russia reported the strongest growth in 2017, with 22.46% growth over the previous year and 2.78 lakhs tourist arrivals, followed by Australia at 10.43%. Among the top 10 markets, China was the only market that witnessed marginal dip of tourist arrivals over the previous year indicating a need to adopt focused strategy to tap this important market which accounts for one fifth of tourism receipts worldwide with US$ 258 billion in 2017. For instance, Australia has developed China 2020 strategic plan to boost inbound tourist arrivals from China through various interventions. Australia further entered into an Open Skies agreement with China to boost air capacity between the countries.

12 Ministry of Tourism, Govt. of India
13 UNWTO
The introduction of E-Visa has led to a strong surge in Foreign Tourist Arrivals since its launch in September, 2014. This scheme has been extended for citizens from 166 countries to visit India through 28 international airports and 5 sea airports. In 2018, 2.37 million foreign tourists availed the E-Visa facility which represents 39.4% increase over 2017. In 2017, 1.7 mn foreign tourists availed this option representing 16.9% of total FTAs. New Delhi and Mumbai airport together accounted for 63.7% of these tourists\textsuperscript{16}.

**Figure 14: Share of Key Markets in E-visa during 2018**

\textsuperscript{16} Ministry of Tourism, Government of India
1.4 Key Government Initiatives to Promote Inbound Tourism

The Government’s developmental agenda is to provide inclusive growth and ensure a future with quality jobs. Travel & Tourism, which already supports one in every ten jobs on the planet, is a dynamic engine of employment opportunity. Moreover, one in every five jobs created during the last 5 years has been linked to Travel & Tourism17. Government efforts are now focused upon fast track infrastructure development and promoting tourism digitally. Key initiatives undertaken by Government of India which will foster growth of Tourism industry in India are as under:

| Ministry of Tourism | • E-Visa facility extended to 166 countries with relaxed application window, duration and number of entry norms  
• Launched Incredible India 2.0 campaign with market specific content and advertising  
• Planned to set up 5 Special Tourism Zones in partnership with states.  
• New National Tourism Policy to be launched  
• Under Swadesh Darshan scheme, the Government has identified 15 circuits on specific themes for development. During 2018-19, a total of 7 projects worth INR 384.67 Cr were sanctioned under the scheme  
• Under PRASAD scheme 25 religious sites have been identified for development. The Ministry has released INR 83.24 Cr. for the projects sanctioned under PRASHAD till March 31, 2018.  
• Launched India’s first ‘Adventure Tourism Guidelines’ covering 29 land, air and water-based activities detailing out the role of a guide, important equipment required, operating instructions, risk mitigation, medical safety, amongst others  
• In September 2018, first ever India Tourism Mart 2018 was organized in partnership with Federation of Associations in Indian Tourism and Hospitality (FAITH)  
• Launched ‘Swachh Paryatan Mobile App’ & 24x7 Tourist Helpline in 12 international languages |

| Ministry of Civil Aviation | • Civil Aviation Policy 2016 for enhancing connectivity by making air travel safe, secure and affordable  
• Six airports across major cities being developed under PPP  
• UDAN scheme – low cost flights for boosting regional connectivity, launch of dedicated Airline Service to Northeast states  
• Encouragement to Seaplanes and Helicopter services for tourism operations |

17 WTTC report on Global Economic Impact and Issues 2019
**Ministry of Railways**

- IRCTC: Dedicated agency to promote rail tourism
- Tourist trains: promoting pilgrimage and heritage circuits through railways
- Semi high speed trains like Gatimaan Express and Tejas Express for enhanced connectivity between key tourism destinations
- Redevelopment of stations for increased tourist amenities

**Ministry of Shipping**

- Development of 78 lighthouses for tourism under PPP
- Action plan for development of cruise tourism & Cruise Tourism Policy
- Sagarmala project to modernize India’s ports

**Ministry of Road Transport & Highways**

- 7-phase ‘National Highway Development Project’ for boosting transport infrastructure of the country
- Special Accelerated Road Development Programme for the NE Region
- 100% FDI allowed under the automatic route in road and highways sector

**Ministry of Environment, Forest & Climate Change**

- Online submission of applications for Environment and CRZ clearance to ensure faster approvals and transparency
- Integrated Islands Management Plans for the 10 islands of Lakshadweep
- Identified 275 Eco-Sensitive zones around National and Wildlife Sanctuaries
- Launch of Green India Mission with the vision of enhancing India’s tree cover to 33% by 2022

**Ministry of Culture**

- Project Mausam to establish cross cultural linkages to revive historic maritime cultural and economic ties with 39 Indian Ocean countries
- E-Ticketing platform for ASI ticketed monuments

*Source: FICCI; IBEF*
Themes shaping Inbound Tourism
2. Themes Shaping Inbound Tourism

2.1 Traditional Themes

2.1.1 Culture & Heritage Tourism

- India is home to one of the oldest civilizations in the world – the Indus Valley civilization. Throughout the annals of history, the country has witnessed the rise and fall of several dynasties followed by the history of modern India.

- The art & culture in India has been shaped and influenced by these historical events. Varied forms of traditions, philosophy, fairs & festivals, languages, literature, music, dance etc. are testimony of India's rich cultural heritage.

- Further, the historical monuments, including forts & palaces, are much more than what meets the eye and have a different story of their own. The mesmerizing architecture of these magnificent monuments is one of the leading tourist attraction in India. India’s popularity on the global tourism map can be largely attributed to this vibrant culture & heritage.

- Several heritage sites have been converted into heritage & luxury hotels which have seen great interest from domestic as well as foreign tourists.

Advantage India

- Rich history has blessed the country with numerous heritage sites and a vibrant culture. The monuments and distinct art & culture is already famous globally

- Good connectivity, accommodation and tourist amenities infrastructure is present around leading sites of historical importance

- More heritage sites can be added to the UNESCO World Heritage Site list through focused efforts. Even more sites can be brought to limelight through focused efforts towards restoration & maintenance, infrastructure development and promotion & publicity
Government Initiatives

- Ministry of Housing & Urban Affairs launched National Heritage City Development and Augmentation Yojana (HRIDAY) in January 2015 for development of 12 heritage cities: Ajmer, Amaravati, Amritsar, Badami, Dwarka, Gaya, Kancheepuram, Mathura, Puri, Varanasi, Velankanni and Warangal. A total of 70 projects had been approved till 2018 and an amount of INR 310.43 Cr. released. Of these 70 projects, 24 projects have been completed.

- Swadesh Darshan (Integrated Development of Theme-Based Tourist Circuits), launched by the Ministry of Tourism, Government of India in 2014-15, is intended to develop theme based tourist circuits. The heritage circuit under the scheme covers Rajasthan, Uttarakhand, Puducherry, Punjab, Gujarat, Uttar Pradesh, Madhya Pradesh, Assam and Telangana with a sanctioned project cost of INR 880.18 Cr.

- Under the ‘Adopt a Heritage’ project, Ministry of Tourism, Government of India and Archaeological Survey of India collaborate with private & public sector companies and individuals and entrusts them for tourist amenities development at heritage sites. MoU for developing tourist amenities at the following sites have been signed:
  - Area surrounding Gangotri Temple & Trail to Gaumukh, Uttarakhand
  - Mt. Stok Kangri Trek, Ladakh, Jammu and Kashmir
  - Red Fort, New Delhi
  - Gandikota Fort, Andhra Pradesh
  - Surajkund, Haryana
  - Jantar Mantar, Delhi
  - Qutub Minar, Delhi
  - Ajanta Caves, Maharashtra
  - Leh Palace, Jammu & Kashmir
  - Hampi (Hazara Rama Temple), Karnataka

- The Ministry has also identified 17 sites at 12 clusters for development as ‘Iconic Tourist Sites’ which includes heritage sites such as Taj Mahal, Qutub Minar, Red Fort and Amer Fort, among others. Master plan for the development of these sites in under preparation.

- Ministry of Tourism, Government of India offers assistance to central agencies to ensure development of tourism infrastructure by the concerned central agencies like Archaeological Survey of India, Port Trust of India, ITDC, Ministry of Railways, etc. who own the assets.

---

19 http://swadeshdarshan.gov.in/
• The Ministry has also set up Indian Culinary Institutes at Noida and Tirupati for skill development in the field of hospitality and to preserve, document, promote and disseminate information about Indian Cuisine.

**Key Destinations**

- UNESCO World Heritage Sites:\(^{22}\):
  - Agra Fort
  - Ajanta Caves
  - Archaeological Site of Nalanda Mahavihara at Nalanda, Bihar
  - Buddhist Monuments at Sanchi
  - Champaner-Pavagadh Archaeological Park
  - Chhatrapati Shivaji Terminus (formerly Victoria Terminus)
  - Churches and Convents of Goa
  - Elephanta Caves
  - Ellora Caves
  - Fatehpur Sikri
  - Great Living Chola Temples (Brihadisvara Temple at Thanjavur, Brihadisvara Temple at Gangaikondacholapuram and Airavatesvara Temple at Darasuram)
  - Group of Monuments at Hampi
  - Group of Monuments at Mahabalipuram
  - Group of Monuments at Pattadakal
  - Hill Forts of Rajasthan (forts in Chittorgarh, Kumbhalgarh, Sawai Madhopur, Jhalawar, Jaipur, and Jaisalmer)
  - Historic City of Ahmadabad
  - Humayun’s Tomb, Delhi
  - Khajuraho Group of Monuments
  - Mahabodhi Temple Complex at Bodh Gaya
  - Mountain Railways of India (Darjeeling Himalayan Railway, Nilgiri Mountain Railway, Kalka Shimla Railway)
  - Qutub Minar and its Monuments, Delhi
  - Rani-ki-Vav (the Queen’s Stepwell) at Patan, Gujarat
  - Red Fort Complex
  - Rock Shelters of Bhimbetka
  - Sun Temple, Konark
  - Taj Mahal

\(^{22}\) https://whc.unesco.org/en/statesparties/in
• The Architectural Work of Le Corbusier, an Outstanding Contribution to the Modern Movement
• The Jantar Mantar, Jaipur
• Victorian Gothic and Art Deco Ensembles of Mumbai

• Besides these sites, there are numerous monuments in historic cities of Delhi, Jaipur, Jodhpur, Agra, Udaipur, Lucknow, Hyderabad, Chennai, Kolkata, Varanasi, Tiruchirapalli, Bhubaneswar, Madurai, Gwalior, Vadodara, Bikaner, among others which are living testimony of India's rich heritage.  

• Each region across the length and breadth of India has a distinct culture which lives on through generations in various arts & cultural forms such as literature, folk dance & songs, culinary forms, crafts and traditional practices, amongst others.

**Recommendations**

• More heritage cities can be included under the second phase of HRIDAY scheme.
• Prioritized restoration, maintenance & upkeep activities need to be taken up at all major heritage sites, especially WHS across the country.
• Greater involvement of conservation institutions and private sector should be encouraged in promoting traditional arts & culture products/ offerings.
• Skill development activities should be undertaken, particularly for tour guides and interpreters. Local artisans should be encouraged for preserving traditional art forms.
• Safety & security can be improved to attract higher footfall, particularly of foreign tourists.
• Awareness campaign for conservation of monuments, arts & cultural forms to protect the tangible and intangible heritage.

**2.1.2 Religious Tourism**

• Religious tourism is one of the most traditional and earliest forms of tourism which has been in existence since people have been undertaking pilgrimages to holy sites. Globally, cities such as Mecca, Jerusalem and Vatican City attract millions of visitors every year.

• Religion holds a special place in India. The country is birthplace of four major religions: Hinduism, Sikhism, Buddhism and Jainism, and has witnessed propagation of various other religions during its rich history. Religious sites of various faiths are present across the nation which attract tourists from India and abroad.

• Some of the most visited religious sites globally are present in India. Moreover, the largest religious gathering, the Kumbh Mela, also takes place in India. Major religious destinations in India include Tirupati, Amarnath, Golden Temple, Char-Dham, Bodhgaya and Jama Masjid, amongst others.

---

23 Incredible India, Ministry of Tourism, Government of India
• Religious tourism has been steadily evolving and has now evolved into further sub-segments such as luxury pilgrimage, backpacking, institutional travels, and volunteer-oriented experiences, among others.

• Travel operators are also packaging a spiritually immersive experience religious tours as per the requirements of various age-group and customer segments.

• The Government has also embarked on several projects for enhancement of site infrastructure and holistic development of the religious destination, including improving connectivity and accommodation facilities.

**Advantage India**

- India has presence of several religious destinations of various faiths which are widely recognized at international levels
- Some of India’s religious destinations feature among most visited religious sites globally. The segment is also less prone to economic downturns
- Religious tourism in India appeals to international tourists as its presents an immersive spiritual experience
- Diversification of tourism offerings at various religious destinations can cater to various customer segments

**Government Initiatives**

- Ministry of Tourism, Government of India launched two different schemes for tourism infrastructure development: PRASHAD (Pilgrimage Rejuvenation and Spiritual, Heritage Augmentation Drive) and Swadesh Darshan (Integrated Development of Theme-Based Tourist Circuits).

  o Under the PRASHAD Scheme, which has the objective of holistic development of religious and heritage destinations, 25 cities of religious significance have been identified. Till December 2018, a total number of 24 projects had been sanctioned for an amount of INR 727.16 Cr.

  o Swadesh Darshan Scheme was launched in 2014-15 to develop theme based tourist circuits on the principles of high tourist value, competitiveness and sustainability in an integrated manner by synergizing efforts to focus on needs and concerns of all stakeholders to enrich tourist experience and enhance employment opportunities. Under the scheme, 15 thematic circuits have been identified which include Buddhist Circuit, Krishna Circuit, Spiritual Circuit, Ramayana Circuit, Heritage Circuit and Tirthankar Circuit, among others. Total amount of INR 5,987.60 Cr. has been sanctioned by the Ministry across 74 projects till date.

25 http://pib.nic.in/PressReleseDetail.aspx?PRID=1557367
26 Ministry of Tourism, Government of India
• Assistance to Central Agencies: The objective of the scheme is to ensure development of tourism infrastructure by the concerned central agencies like Archaeological Survey of India, Port Trust of India, ITDC, Ministry of Railways, etc. who own the assets, through Central Financial Assistance provided by the Ministry of Tourism, Government of India.

• National Mission for Clean Ganga (NMCG) has been launched by the Government of India with a budget outlay of INR 20,000 Cr to clean up the River and develop public and tourist amenities at key locations along the riverbank.

• Government of India has started Aastha Circuit trains covering various religious places on February 2017. It offers all inclusive tour packages on different itineraries of varying duration, decided by Indian Railway Catering and Tourism Corporation Ltd. (IRCTC). IRCTC also runs various other packages covering key religious destinations along with Buddhist circuit trains27.

Recommendations

- Diversification of offerings at religious destinations to include other attractions such as MICE, Wellness, amusement parks, etc. will prolong tourist stay and provide additional avenues for tourists. Religious tour packages can be marketed as complete tourist destinations.

- Marketing and promotional activities for religious destinations showcasing immersive spiritual experience will enhance brand value and will attract domestic as well as international tourists.

- Sustainable development of religious destinations in ecologically sensitive zones to prevent damage to natural resources.

- Standardization of tourist amenities across all religious destinations and provision for disaster management measures will enhance tourist experience and provide greater sense of security. Further, enhanced connectivity will strengthen India’s proposition to compete with neighboring countries such as Nepal, Cambodia and Sri Lanka and boost international tourist footfall.

- Convergence of schemes like UDAN with PRASHAD and Swadesh Darshan for strengthening tourist infrastructure such as providing last mile connectivity from major cities.

2.1.3 Nature-based Tourism

- India, the 7th largest country in the world, has a large land mass which is blessed with unparalleled diversity. From Himalayas in the north and east to the Deccan plateau in the west and south, from Western Ghats to the Eastern Ghats, the Great Indian Desert in the Northwest to the coastal regions of Indian peninsula, the diverse topography is also home to abundant flora and fauna.

- This vibrant natural heritage has been a popular avenue of tourism with the hill stations, beaches, lakes, riverfronts, etc. being a key attraction for tourists. Moreover, with improving connectivity and propagation of lesser known destinations through social media, more and more previously lesser-explored destinations are coming to the fore and attracting large number of tourists. While this form of tourism has been in existence for long, there is much potential to be tapped in this segment.

- India has a total of 868 Protected Areas, covering nearly 5% of India’s area. These include 104 National Parks, 550 Wildlife Sanctuaries, 87 Conservation Reserves and 127 Community Reserves. These areas home to several endangered species. UNESCO has also recognized 8 sites in India under the Natural & Mixed categories of the World Heritage Sites.

- Nature-based tourism also provides a base of adventure tourism, which is one of the fastest emerging segments of tourism. Further, ecotourism is also gaining prominence with greater awareness around sustainable development of tourist destinations. Several State Governments are giving an impetus towards developing ecotourism destination.

---

28 ENVIS Centre on Wildlife & Protected Areas, Wildlife Institute of India, Dehradun
29 https://whc.unesco.org/en/statesparties/in
• More than 7,500 Km long coastline of India presents enormous opportunities for coastal and cruise tourism. The Andaman & Nicobar Islands and the Lakshadweep islands have some of most pristine beaches and clear blue waters which hold further greater potential for inbound tourism.

• The vast coastlines also presents opportunities for cruise tourism, which is still at a nascent stage in India. During 2017-18, 139 cruise ships visited India carrying 162,660 cruise passengers\(^{30}\). The number is set to increase to 4.5 million by 2042-43\(^{31}\) with several cruise liner expressing interest in developing packages specifically for the Indian market.

**Government Initiatives**

• Under the Swadesh Darshan Scheme, Ministry of Tourism has identified several nature-based themes including Coastal, Desert, Eco, Himalayan, North East and Wildlife. Cost sanctioned towards various circuits under these themes is as follows\(^{32}\):
  o Coastal: INR 895.98 Cr.
  o Desert: INR 63.96 Cr.
  o Eco: INR 608.37 Cr.
  o Himalayan: INR 668.95 Cr.
  o North East: INR 676.22 Cr.
  o Wildlife: INR 187.90 Cr.

• To fully leverage the true potential of the coastal areas and to promote cruise tourism, the Government of India has taken several steps including\(^{33}\):
  o Certainty of berth to cruise ships
  o Ousting charges have been removed – this has reduced overall cost

---
- Discount of 42-66% allowed in Port Charges
- Simplified SOPs issued for processes to be observed by multiple agencies like port authorities, Customs, Immigration, Security, State Government, Ship Agents, and Tour Operators etc.
- E-Landing card system is ready for ease of travelling among Indian ports
- Upgrade of cruise terminals and construction of new terminals
- Cabotage waived for foreign cruise vessels on Indian shores enabling passengers to board the vessel at Indian Ports for voyage along Indian shores

- Ministry of Environment, Forest and Climate Change has prepared an Eco-tourism policy which will work towards engaging local communities through mechanism to enrich local economy and promote sustainable use of indigenous material. The policy will enhance education and awareness about wildlife and habitat, and help in improving the livelihood of people living in and around Protected Areas. The policy will encourage homestead-based hospitality enterprises for enhancing local livelihood.

  o Sundarbans National Park
  o Western Ghats
  o Khangchendzonga National Park

\textit{Recommendations}

• New and upcoming destinations need to be developed in a sustainable manner so as to ensure that there is minimal impact on the environment. At the same time, infrastructure and tourist amenities at popular tourist destinations need to be upgraded, along with robust waste management mechanism in order to minimize environmental degradation due to development.

• Integration of nature-based tourism with adventure tourism will lead to greater footfall, increase in duration of stay and regional community development.

• Marketing campaign showcasing India’s destinations and safety & security aspects will encourages potential tourists.

• Awareness campaign should be conducted to educate tourists and the local communities on the need to conserve the natural heritage.

2.2 Emerging Themes

\textit{2.2.1 Medical and Wellness Tourism}

• In recent years medical and wellness tourism have grown exponentially. Medical tourism in the country has boosted with the number of overseas patients touching 4.95 lakhs in 2017 as against 4.27 lakhs in 2016 witnessing a growth of around 16\%\textsuperscript{36}.

• India provides competitive cost advantage at one tenth of the cost of the US and Europe. By 2020, medical tourism industry of India is expected to touch $9 billion\textsuperscript{37}.

• Currently, India has 38 JCI accredited hospitals and the number is growing significantly\textsuperscript{38}.

\textsuperscript{35} \url{https://whc.unesco.org/en/statesparties/in}
\textsuperscript{36} \url{pib.nic.in}
\textsuperscript{37} \url{https://www.ibef.org/download/tourism-and-hospitality-feb-2019.pdf}
\textsuperscript{38} \url{https://www.jointcommissioninternational.org/about-jci/jci-accredited-organizations/?c=India}
Rising disposable incomes and awareness on personal wellbeing and increased air connectivity has encouraged market for wellness services in India like Ayurveda, spa and other therapies.

With the natural wealth of over 6,600 medicinal plants, India is the second largest exporter of alternative Medicines (AYUSH- Ayurveda, Yoga, Unani, Siddha and Homeopathy). This presents the immense potential of India to emerge as a hotspot for Wellness Tourism due to its available facilities for Ayurveda, yoga, acupuncture, herbal massages, nature therapies, and other ancient Indian healthcare therapies.

Advantage India

- Home to ancient medical and wellness practices under the AYUSH
- 2nd largest exporter of alternative medicines
- Most urban centers in India have presence of large multi-specialty hospitals providing quality healthcare services
- High quality and affordable treatment facility
- Availability of large talent pool of doctors
- Increasing demand for healthcare services from countries like US & UK
- Rising health consciousness has encouraged market for wellness services like resorts, Spas and rejuvenation programs

http://ficci.in/ficci-in-news-page.asp?nid=13582
Government Initiatives

- The Government of India has introduced e- Medical Visa facility to simplify procedure for obtaining visa for tourists coming to India for medical purpose. Further e- FRRO scheme has been introduced for 27 visa related services (visa extension, conversion etc.)
- A National Medical and Wellness Tourism Board has been formed to promote Medical and Wellness Tourism in an organized manner.
- A film on Medical Tourism has been produced in collaboration with BBC for promotional activities.

Figure 15: Foreign Tourist Arrivals in India on Medical Visa

Source: Ministry of Tourism, Govt. of India

- The Ministry of Tourism offers financial support for organizing Wellness and Medical Tourism Promotional shows, workshops, seminars, amongst others.
- Government has planned to set up facilitation counters at major airports of Mumbai, New Delhi, Kolkata, Chennai, Hyderabad and Bengaluru for tourists arriving on Medical Visas.
- Department of Commerce and Services Export Promotion Council (SEPC) has launched Healthcare Portal www.indiahealthcaretourism.com as a single platform for medical travelers to provide comprehensive information on healthcare landscape of the country.

Key Destinations

- **Chennai**: The gateway of South India has already established itself as the health capital of the country with the availability of high quality and affordable medical treatment facilities.
- **Delhi**: The National Capital of India is also home to several renowned hospitals that offer customized packages to foreign tourists for General Surgery, Heart Care and Neurosurgeries amongst others.
- **Mumbai**: The financial capital of India is also preferred destination for medical tourists due to the well-connected infrastructure, state-of-the-art health care facilities and well-trained medical professionals.

http://pib.nic.in/
**Hyderabad:** Hyderabad is fast emerging as the hub for medical tourism with improved flight connectivity and affordable world class medical facilities.

**Uttarakhand:** Home to 62 hot springs, Uttarakhand is ideally poised to become leading wellness hub of the country with high-end spa facilities, yoga and meditation retreats. Taking cognizance of this potential, the State Government has decided to develop 330 sub centers and health and wellness centers across Uttarakhand.\(^1\)

**Kerala:** Kerala is well known for unparalleled quality of Ayurveda services coupled with diverse holistic treatments which has witnessed steady growth in foreign tourist arrivals in the last five years.

**North East:** With improved connectivity, states like Sikkim, Meghalaya and Arunachal Pradesh which are home to natural hot springs, lush green forests and blissful waterfalls has potential to emerge as leading destinations for world class wellness centers.

Other emerging wellness tourism destinations include Himachal Pradesh, Karnataka, Haryana and Uttar Pradesh.

**Recommendations**

- Developing an aggressive plan for creating high quality integrated ‘medi-cities’ that offers a 360-degree interface for tourists as well as treatment related services. The Government of India can facilitate formation of Special Purpose Vehicles (SPVs) for this purpose to raise capital in both domestic and international markets, especially for development of infrastructure in areas like North East which potentially have a huge catchment areas in SE Asia and ASEAN countries.

- Effective destination branding is imperative for positioning India as a premium medical and wellness tourism hub. It will require a convergence of multiple stakeholders and activities including swift and incentivized air travel for international patients, facilities for easy visa process, patient security and a sense of respect for cultural differences, accommodation services, excellent clinical services and effective follow-up processes from the tourist facility.

- The Ministry of Tourism can consider creating dedicated Medical Tourism offices in existing as well as potential markets like South Korea, Libya, Romania, Brunei, Eastern Europe and Russia where industry association like the Medical Council of India, Dental Council of India, Healthcare Travel Council of India, among others can provide interface and linkages with hospitals and wellness centers.

- Accreditation is another key area of Medical Tourism industry not only to convince the potential tourist of the institution’s credibility, but also a necessary pre-requisite for acquiring an insurance cover in many countries. There is a need to ensure that the criteria set by the NABH are at par with the international standards for certification like JCI. The accreditation process also needs to be streamlined and expedited.

---

2.2.2 **Adventure Tourism**

- Adventure tourism is among the fastest growing tourism segments globally and in India. Diverse natural landscapes and range of immersive cultural experiences present enormous opportunities for adventure tourism. The Himalayan Mountain range in the North & East, numerous rivers & lakes, more than 7,500 Km long coastline and various forest & hill zones across the country make a wide range of adventure activities possible.

- The Global Adventure Tourism market was valued at USD 6.80 trillion in 2017 and is expected to grow at a CAGR of 46% till 2022. Nearly 42% of the growth is estimated to be from the EMEA region.

- With growing number of travel aggregators, startups and travel operators offerings unique and adventurous experience, and increasing interest among the youth and urban dwellers for adventurous getaways, the segment is expected to witness exponential growth. Large number of social media influencers in the travel & tourism segment are also responsible for growing inclination towards adventure tourism.

- A 2018 report pegs the increase in demand for adventure and activity travel at 178% during the 2015-17. The market is further expected to grow at a CAGR of 17.4% during 2017-23. The report further noted that there has been a 42% increase in popularity of high altitude regions among adventure travelers over the past 3 years. During the same period, number of solo travelers has increased by 18%. As of May 2018, there were 47 adventure tour operators recognized by the Ministry of Tourism.

- According to NITI Aayog, India's nature and adventure tourism is still at a nascent stage with barely 3% of the 668 Protected Areas attracting any significant tourism activity.

- Amusement and theme parks are also on the rise in India. There are 155+ parks estimated to be in India of which nearly 10-15% falling in the category of large parks.

---

**Advantage India**

- Geographical diversity and abundance of natural resources such as mountains, rivers, forests, wildlife, sea, waterfalls etc. offers avenues for various categories of adventure tourism activities

- Different climate zones make India a round-the-year adventure tourism destination

- Growing inclination towards the segment among the youth presents a large domestic market

---

*Global Adventure Tourism Market 2018-2022, TechnavioPlus*

*Ministry of Tourism, Government of India*

*Report of Working Group II Sustainable Tourism in the Indian Himalayan Region, NITI Aayog*

Government Initiatives

- The Ministry of Tourism identifies adventure tourism as a niche product which can position India as a 365 days destination. The ministry celebrated 2018 as the ‘Year of Adventure Tourism’ to promote the segment. A task force on adventure tourism was created with the Secretary (Tourism) as the Chair to resolve issues related to development and promotion of adventure tourism in the country. The ministry has also issued guidelines for the approval of Adventure Tour Operators and is the approving authority for service providers in the category.

- The Ministry, along with the Adventure Tour Operators Association of India (ATOAI), launched the ‘Indian Adventure Tourism Guidelines (Version 2.0) – 2018’ on safety and quality norms for adventure tourism in India. The guidelines cover 15 land-based activities, 7 air-based and water-based activities, each.

- The Ministry also extends Central Financial Assistance to various States Governments and UT Administrations for development of tourism infrastructure at adventure tourism destinations. Special efforts are being undertaken to promote inland water tourism by extending financial assistance to infrastructure facilities such as double hull boats, constitution of jetties, cruise vessels, boats, etc.

- Ministry of Tourism has established National Institute of Water Sports (NIWS) in Goa under the administrative control of the Indian Institute of Tourism and Travel Management which offers long and short-term courses on water sports.

- Adventure tourism is also a key theme under the Swadesh Darshan scheme. Eco-Adventure Circuit in Mizoram, adventure sports related infrastructure development in Uttarakhand, integrated development of new adventure tourism in Arunachal Pradesh under the North East India circuit are some of the projects being undertaken by the ministry.

## Recommendations

- Adventure tourism destinations need to focus on safety & security. The guidelines issued by the ministry of tourism need to be strictly adhered to, including availability of emergency response teams for prompt action. Provision of air services for evacuation needs to be made for efficient disaster management and timely response in remote locations.
- Capacity building for tour operator personnel and training of locals for disaster management.
- A dedicated help line needs to be setup for handling emergencies to ensure confidence among adventure enthusiasts.

• Most of the adventure destinations are in remote locations, hence it is imperative to involve the community for developing various support systems, such as home stays. Focus needs to be on the sustainable development of remote and ecologically sensitive locations.

• Aggressive marketing to position India as an adventure destination of global repute to compete against established and emerging adventure tourism destinations.

2.2.3 MICE Tourism

• Meetings, Incentives, Conferences & Exhibitions or MICE tourism is estimated to be growing at a CAGR of 7.5% during 2017-23 to reach US$1,245 by 2023, globally. Asia-Pacific region is expected to lead the growth with a CAGE of 8.6% during this period47.

• India is a late entrant in the segment and is in the process of upgrading its MICE infrastructure. In 2018, MICE tourism in India is pegged at INR 25,000 Cr. growing at a CAGE of nearly 8% y-o-y. The industry is estimated to have a space of about 5 lakh sq.mt which is expected to cross 15 lakh sq.mt over the next 2-3 years, which will result in doubling of the growth rate48.

• In 2017, India ranked 24th globally in terms of international meeting organized with 175 meetings taking place during the year, out of a total 12,563 meetings, a mere 1.39% share. The country ranks 5th in the APAC region, behind Japan, China, Republic of Korea and Australia. The number of participants estimated to have attended these meetings is 73,21349.

• Strong economic growth, growing emergence of India on the global & regional business map, geopolitical conferences & regional cooperation, and increasing leisure travel is poised to drive the growth of MICE tourism in India.

Advantage India

✓ India’s strategic location and round the year destination
✓ Variety of destinations which can be clubbed with diverse tourism offerings to enhance MICE
✓ Well-connected infrastructure with 31 international airports, 5 cruise ports and one of the largest rail & road network in the world
✓ Consistently among the fastest growing large economies
✓ Price competitive offerings
✓ Growing culture of large scale expenditure to organize lavish weddings
✓ Heritage properties and hotels have the potential to become most preferred wedding destinations

47 https://www.alliedmarketresearch.com/MICE-industry-market
Government Initiatives

• MICE Tourism is one among the niche tourism products identified by the Ministry of Tourism to develop India as a 365 days destination. India Convention Promotion Bureau (ICPB), set up by the Ministry, is engaged in promoting India as a venue for international congresses and conventions\(^{50}\).

• The Ministry offers Market Development Assistance to members of ICPB towards bidding for international conferences/conventions. Associations/societies are given financial support on winning the bid or for obtaining 2nd and 3rd positions in the bidding process\(^{51}\).

• The Ministry of Tourism extends Central Financial Assistance (CFA) to the State Governments and Union Territory Administrations for developing tourism infrastructure including setting up of convention centers\(^{52}\).

• The Department of Industrial Policy & Promotion, Ministry of Commerce and Industry is developing a world class convention center – India International Convention and Exhibition Centre (IICC) at Dwarka, New Delhi in an area of nearly 90-hectare. The total cost of the project is estimated to be around INR 25,700 Cr\(^{53}\).

Key Destinations

• Bangalore International Exhibition Centre, Bengaluru
• Biswa Bangla Convention Centre, Kolkata
• Bombay Exhibition Centre, Mumbai
• Brilliant Hotels & Infrastructure, Indore
• Hyatt Andaz, New Delhi
• Hyderabad International Convention Centre, Hyderabad
• Hyderabad International Trade Exposition, Hyderabad
• India Exposition Mart, Greater Noida
• JW Marriott, New Delhi
• Jaipur Exhibition & Convention Centre, Jaipur
• Leonia International Centre for Exhibitions and Conventions, Hyderabad
• Lulu Bolgatty International Convention Centre, Kochi
• National Centre for Performing Arts, Mumbai
• India Habitat Centre, New Delhi

• Pullman Aerocity, New Delhi
• Sher-i-Kashmir International Convention Centre, Srinagar
• Vigyan Bhawan, New Delhi
• Pragati Maidan, New Delhi

**Recommendations**

• Construct world class convention & exhibition centers adopt a holistic approach to promote MICE Tourism, including improvement in air and road connectivity.

• Promote India as prime MICE Destination through aggressive marketing like road shows and participation at the international events. Showcase successful large conferences, meeting and exhibitions through promotional videos.

• Invite international convention, congress and exhibition organizers for FAM tours of key MICE destinations in India.
State Government Initiatives to Promote Inbound Tourism
3. State Government Initiatives to Promote Inbound Tourism

3.1 Rajasthan

3.1.1 Tourism Outlook

Rajasthan, the largest state in India, is blessed with a diverse range of tourist attraction. The state ranked 5th in terms of foreign tourist visits in 2017, accounting for nearly 6% of the total foreign tourist visits in India and witnessing a CAGR of 3.34% during 2010-17. In terms of Domestic Tourist Visits, the state ranks 10th in the country with 45.92 million visits in 2017. During the period 2010-17, Domestic Tourist Visits grew at a CAGR of 8.74%. The capital city, Jaipur, witnesses large influx of foreign tourists due to its elementary position on the Golden Triangle (other two being Delhi and Agra).

Figure 16: Tourist Footfalls in Rajasthan (in million)

54 Ministry of Tourism, Govt. of India
55 Department of Tourism, Govt. of Rajasthan
### 3.1.2 Major Tourism Themes Attracting Tourists

Rajasthan, often referred to as the Land of Maharajas, the State is boasts of several heritage sites of historical significance with each region having its unique culture. The State is also abundantly blessed with wildlife, lakes and religious destinations, among others. Moreover, the culture & hospitality of Rajasthan is well known globally. The State also features as a prominent luxury tourist destination on the global tourism landscape.

<table>
<thead>
<tr>
<th>Themes</th>
<th>Key Tourist Destinations</th>
</tr>
</thead>
</table>
| **Heritage & Cultural Tourism** | • Rajasthan is home to some of the most glorious forts of the erstwhile provinces of India. Some of the well-known forts include Amber fort, Mehrangarh fort, Jaisalmer fort, Chittor fort, Nahargarh fort, amongst others. Further, several of the palaces have been converted to museums, and luxury & boutique hotels.  
• The State is also known for its vibrant art & culture which attracts large number of domestic & foreign tourists. The Department of Tourism organized 56 fair & festivals and cultural programs in 2017.  
• The State operates famous luxury tourist trains such as Royal Rajasthan on Wheels and Palace on Wheels, which connect some of Rajasthan's key tourist destinations to other states. |
| **Religious Tourism**          | • Rajasthan has several places of religious significance for followers of various religions which attracts domestic as well as foreign tourists. Some of the key religious destinations include Brahma Temple Pushkar, Deshnok Karni Mata Temple, Ranakpur Jain Temple, Delwara Jain Temple, Ajmer Sharif Dargah, amongst others. |
| **Wedding & MICE Tourism**     | • Rajasthan has gradually become a favored destination for MICE tourism. Presence of several heritage & luxury hotels along with various leisure activities make the State an ideal destination.  
• The State is also known to be a wedding destination with royal wedding emerging as a popular theme. Recent celebrity weddings of business and media industry has put Rajasthan on the global map as a preferred wedding destination.  
• Some reports estimate MICE tourism to be an INR 5,000 Cr. industry in the State. |
| **Nature based and Eco-Tourism** | • Rajasthan is bestowed with a diverse topography with the Thar Desert in the west and the Aravalli mountain range hill station Mount Abu in the south.  
• City of lakes, Udaipur, also forms a major tourist destination with a combination of scenic beauty and heritage grandeur.  
• Rajasthan has several wildlife sanctuaries and national parks such as Ranthambore National Park, Sariska Tiger Reserve and Keoladeo Ghana National Park, among others. |

---

### 3.1.3 Investment Opportunities

Rajasthan offers several investment opportunities

<table>
<thead>
<tr>
<th>Segment</th>
<th>Investment Opportunities</th>
<th>Locations</th>
</tr>
</thead>
</table>
| Heritage & Cultural Tourism  | • Several heritage properties are available for private investment for conversion to hotels and museums  
• Restoration of heritage properties  
• Development of Festival / Fair Ground and Local Bazar, Craft & Haat Bazar and Cultural Interpretation centers                                                                                           | Ajmer, Alwar, Baran, Bharatpur, Bhilwara, Chittorgarh, Jaipur, Jhunjhunu, Jodhpur, Kota, Nagaur, Pali, Sikar, Rajsamand |
| MICE & Wedding Tourism       | • Increasing popularity of Rajasthan as a MICE & Wedding destination makes development of convention centers and amusement parks a very attractive proposition                                                      | Ajmer, Jaipur, Kota, Jodhpur, Udaipur, Mount Abu                           |
| Religious Tourism            | • Upgrade of tourist amenities infrastructure at major religious destinations                                                                                                                                         | Dausa, Banswara, Jaipur, Jhalawar, Sikar, Rajsamand                        |
| Nature based and Eco-Tourism  | • Developing Sambhar Salt lake  
• Setting up and operating of ropeways  
• House boats and water cruises in lakes  
• Lake and riverfront development                                                                                                                                  | Jaipur, Jhalawar, Kota, Sawai Madhopur, Sirohi, Rajsamand                  |
| Adventure Tourism            | • Adventure and water sports activities in lakes  
• Installation & operations of Zip Lines  
• Hot air ballooning, rock climbing/ rappelling, Zorbing  
• Desert safaris, camping, ATVs & jeep safari                                                                                                                      | Ajmer, Jaisamand Lake, Udaipur, Jodhpur, Jaisalmer, Jodhpur, Kota, Mount Abu |

</table>
| Land Aggregation & Allotment | • All Development Authorities & and District Collectors would identify land for Tourism units  
                                 • Category wise Minimum and Maximum Land Area  
                                 • 30 Years of Land leasing  
                                 • No conversion charges and no development charges  
                                 • Free of cost conversion and development charges for heritage hotels, Urban Development and Housing (UDH) & Local Self Government (LSG), Panchayati Raj, Revenue Department, etc.  
                                 • 50% of Stamp Duty on purchase or lease of land and construction or improvement on such land |
| Project Sanctioning Methods | • Dedicated Tourism Promotion Advisory Board with the primary objective of facilitating planning, implementation of tourism projects and to provide overall direction to the development of tourism in the state. |
| Incentives and Concessions | • Stamp Duty: 25% on Stamp Duty for heritage properties  
                             • Electricity Duty: 50% of Electricity Duty for seven years for Service & Manufacturing Enterprises |
| Other Relevant Policies | Rajasthan Film Shooting Regulation, 2016  
                          • Simplifies the permit process and makes provision for grant of Permission in 15 days with waiver of all fees |

Initiatives to Promote Inbound Tourism

Rajasthan Tourism has launched aggressive promotional campaign to attract domestic as well as foreign tourists. The state has been organizing roadshows overseas and participating in travel & tourism events at the global level. Further, the department has been promoting various fairs & festivals of Rajasthan which provide a unique experience to tourists. The department is expected to release new tourism policy shortly which will focus on infrastructure development and popularization of lesser known destination.

61 Department of Tourism, Govt. of Rajasthan
3.2 Goa

3.2.1 Tourism Outlook

Goa is famous for its beaches, places of worship and casinos with wide range of offerings easily reachable due to short distances. The Churches and Convents of Goa have been declared a World Heritage Site by UNESCO. Goa’s tourist inflow grew from 2.7 million in 2012 to 7.8 million in 2016, five times the population of Goa. Leisure tourism is the dominant form of tourism mainly due to its beaches. The CAGR of tourist inflow during five-year period between 2012 and 2017 was 22.80 %. The tourist inflow during the year 2018 is expected to surpass 8 million (tourist inflow till October is 5.5 million).[^1]

![Tourist Arrivals in Goa (million)](image)

                                 | • Tourism hubs including oceanariums, theme parks, shopping malls, food & beverage outlets, entertainment centers, handicraft centers etc. | Panaji and across Goa |
| Cruise & Coastal Tourism       | • Marinas at designated locations and hinterland river cruise tourism                    | Along the coast/ Mandovi river |
| Heritage & Cultural Tourism    | • Heritage stays in traditional Goan style at home stays/ heritage houses                 | Goa                |

3.2.4 Policy Support

Draft Goa Tourism Policy, 2016 was prepared by the State Government. Currently, a new policy under preparation. Goa has separate water sports policy and boat rides & water sports activities guidelines. The state also has policy for Erection of Beach Shacks, Temporary seasonal structures, huts and others.

Tourism has been declared as an industry in the state. Further, Goa Tourism Development Corporation (GTDC) focus on developing and promoting Goa’s tourism sector with a thrust on privatization and outsourcing of its assets. The policy ensures that the local community is involved and the benefits of tourism accrue to them.

63 https://goa-tourism.com/Avocet_Peregrine
Apart from the policy front, the State Government has undertaken following initiatives to develop tourism in the State:

- Introduction of Cruise connectivity between Goa—Mumbai with food, music and party on board
- Introduction of 8 hour excursion ride on a boat – Flying Fish. This has facility for scuba diving and snorkeling
- Goa tourism has started sea rafting at Arambol beach. The season of operation is from September to May
- Launched motorized paragliding at Mandrem beach to boost adventure tourism
- Plan to launch other adventure activities like new activities like duck boats, seaplanes, segway tours, hop-on hop-off tours, horse riding trails, bungee jumping, scuba diving, rope way etc.
- Focusing on introducing activities and initiatives to promote tourism for families through watersports activities, hot air balloons and helicopter joy rides
- Goa Tourism also organizes events and festivals throughout the year like Grape Escapade, Carnival, Shigmo, Food & Cultural Festival, the International Film Festival India – Goa, Tripurari Purnima, Ganesh Chaturthi, Diwali, Christmas, NYE, Monsoon festivals

Goa tourism is promoting hosting of high end music, art and fashion events in Goa. These events are combined with leisure tourism and are expected to attract foreign tourist as well as increase the number of tourist in luxury segments. New connectivity projects are being undertaken to improve connectivity to hinterland in the State and decongest personal and commercial traffic. Water front promenades are being developed at Panaji, Colva, Chapora, Old Goa and Mayem Lake. Awareness campaigns are being undertaken and promoted in print media and social media on tourist safety.
3.3 Gujarat

3.3.1 Tourism Outlook

- Gujarat has over 3500 years of history, natural & cultural delights, beaches, fairs & festivals, temples, spiritual sites coupled with the warmth & hospitality of its people. Gujarat has huge untapped tourism potential and one of its key strengths has been the diversity of its offerings – attractions to cater to all segments of travelers.

- Gujarat tourist inflow grew from 38.3 million in FY16 to 44.8 million in FY17. Tourist inflow from other Indian states grew 22 per cent. Business and spiritual tourism are dominant purpose of visit. The CAGR of tourist inflow during five-year period between FY07 and FY12 was 12.62 %, while the CAGR of tourist inflow during the past five-year period between FY12 and FY17 was 14.91%, marking an improvement64.

- **State High Level Clearance Committee (SHLCC):** Chaired by Hon’ble Chief Minister of State of Karnataka to approve projects with investments above USD 17 million (INR 100 Cr.)
- **State Level Single Window Clearance Committee (SLSWCC):** Empowered committee for Tourism under the Chairmanship of Hon’ble Minister of Tourism to approve projects with investments between USD 2.5 million (INR 15 Cr.) and USD 17 million (INR 100 Cr.).
- **District Level Single Window Clearance Committee (DLSWCC):** Chaired by Deputy Commissioner of the District, for approval of projects with investments up to USD 2.5 million (INR 15 Cr.).
- **Combined Application Form:** Available on KUM website for obtaining required statutory approvals.
Initiatives to Promote Inbound Tourism

Karnataka Tourism has launched a campaign ‘Script Your Adventure’ which is supported by TVC and print campaign. The campaign is intended to attract foreign as well as domestic tourists by showcasing the plethora of opportunities Karnataka has to offer, where tourists can choose the avenues and write their own stories!

3.5 Kerala

3.5.1 Tourism Outlook

Popularly known as ‘God’s Own Country, Kerala lies in the abundant green strip of land on the south west coast of India and is nestled between the Arabian Sea on its west and the Western Ghat to the east. The state is blessed to have a pleasant weather, rich cultural heritage, ancient temples and monuments, traditional arts, music and martial arts, olden treatment system and the presence of lakes, canals, ponds and beaches, including the 580 km long coastline stretching across 10 districts out of its 14 districts.

The international tourist arrivals in Kerala crossed 1 million for the first time in the year 2016 and has reached 1.09 million in the year 2017. Kerala ranks 8th in foreign tourist arrivals among the States/ UTs of India with a share of 4.1%. The domestic tourist arrivals has increased from 13.17 million in the year 2016 to 14.67 million in the year 2017 with a growth rate of 11.39%.

Figure 21: Tourist Footfalls in Kerala (million)

3.5.2 Major Tourism Attractions

With its excellent tropical weather, tranquil beaches, serene backwaters, verdant hill stations, waterfalls, exotic wildlife, extensive plantations and paddy fields, holistic system of Ayurveda, enthralling arts, music and festivals, historical and cultural monuments and mouth-watering cuisines, Kerala has made its destination state as ‘a unique experience for all’.
### Attractions

<table>
<thead>
<tr>
<th>Key Tourist Destinations</th>
</tr>
</thead>
<tbody>
<tr>
<td>Coastal &amp; Cruise Tourism</td>
</tr>
<tr>
<td>• Traditionally, backwater was used one of the main transportation path and now Kerala backwater has become one of the most popular tourist destinations in the world. The picturesque backwaters of Kerala consist of tranquil stretches of lakes, canals and lagoons located parallel to the coast of the Arabian Sea. Alapuzha is one of the famous destination for backwater tourism which includes houseboat cruises in backwaters and is thus popularly known as the ‘Venice of the East’.</td>
</tr>
<tr>
<td>• Being the coastal state, Kerala is home to a number of extravagant beaches bordered on the western coast of Arabian Seas. The sandy beach is the most attractive features found in Kerala beaches. Beachfront hotels and resorts are another added attractions.</td>
</tr>
<tr>
<td>• Kovalam Beach, located in Thiruvananthapuram is the most commonly visited by the tourists. Other famous beaches include Varkala Beach in Thiruvananthapuram, Cherai Beach in Kochi, Beypore Beach &amp; Kappad Beach in Kozhikode and Bekal Fort Beach in Kasaragod.</td>
</tr>
<tr>
<td>Heritage &amp; Cultural Tourism</td>
</tr>
<tr>
<td>• Kerala is one of the few states in India to have the varieties of arts, music and dances, festival seasons and feasts.</td>
</tr>
<tr>
<td>• Onam is the state festivals which is celebrated in every households and Onam feast (served up to 60 dishes) is the major highlight of the festival.</td>
</tr>
<tr>
<td>• Thrissur Pooram is a mega event held annually in Vadakunathan Temple on the ‘Pooram’ day in the Malayalam calendar of ‘Medam’ (April-May) with two groups – Thiruvambady and Paramekavu competing each other through presentations of large number of elephants, traditional orchestra called Panchavadyam, presentation of umbrellas on the elephant top Kudamattom and the fireworks in the early morning hours are the festival highlights.</td>
</tr>
<tr>
<td>• In the northern district called Kasaragode, Kerala has the presence of a famous and the largest fort called Bekal Fort. The most attractive feature of the fort is the shape of a key-hole and is bordered by the beach.</td>
</tr>
<tr>
<td>Medical &amp; Wellness Tourism</td>
</tr>
<tr>
<td>• Kerala has achieved the reputation of a health and wellness destination throughout the world. The state promotes Ayurveda tourism as an important part of this wellness program.</td>
</tr>
<tr>
<td>• Kerala Ayurveda is famous for its five prolonged treatment, named as Panchakarma. Famous rejuvenation therapies include body immunization, body slimming and mental and physical well-being.</td>
</tr>
<tr>
<td>• Popular Ayurvedic destinations include Kovalam, Kollam, Thrissur and Alapuzha</td>
</tr>
</tbody>
</table>
Nature-based and Ecotourism

- Kerala is blessed to have its natural beauty with the presence of hills and hill stations and majority of these are located on the Western Ghats which on an average 1500m elevation above sea level. The nature lovers can explore the lush flora, fauna and wildlife in the hill stations. Some of the hill stations are covered with dense forests while others with tea and coffee plantations.

- Popular Hill Stations include Munnar, Vagamon, Thekkady, Kalvary Mount, Peermade (all in Idukki district), Ponmudi in Thiruvananthapuram, Paithamala in Kannur, Wayanad in Wayanad

- Due to its natural location advantages of the lush forest in the Western Ghats or Sahyadri Range, Kerala has the presence of fourteen Wildlife Sanctuaries, two Tiger Reserves and six National Parks.

Religious Tourism

- Kerala has the presence of the iconic Sree Padmanabhaswamy Temple, Sabarimala and Guruvayoor are the most commonly visited by the pilgrims in Kerala.

- Mattancherry Synagogue in Kochi, Kaladi (Birth place of Sri Sankarachary), Thiruvambady Temple, Vadakunathan Temple and the Holy Cross Church in Trichur.

Sports Tourism

- Boat Race or ‘Vallam Kali’ is one of the traditional festivals that has been celebrated since ancient days and the major attraction is the snake shaped boats measuring up to 100 feet long. Champakulam Boat Race, Nehru Trophy Boat Race and Aranmula Boat Race are the famous festivals and is being flocked by the tourists from all over the world.

3.5.3 Investment Opportunities

3.7.2 Major Tourism Themes Attracting Tourists

Odisha is a land of rich and diverse cultural heritage, abundant natural resources and biodiversity. With Konark Sun Temple being declared a UNESCO World Heritage Site, the State has witnessed an exceptional growth in tourists during the last decade. Some of the major tourism themes of Odisha are highlighted below:

<table>
<thead>
<tr>
<th>Themes</th>
<th>Key Tourist Destinations</th>
</tr>
</thead>
<tbody>
<tr>
<td>Heritage &amp; Cultural Tourism</td>
<td>• Odisha hosts numerous archaeological treasures dating from the pre-historic times to the end of the Muslim rule in the middle of the sixteenth century.</td>
</tr>
<tr>
<td></td>
<td>• The architectural heritage of Kalinga dynasty is well complemented by exotic cultural attractions and festivals including the annual Ratha Yatra, Puri Beach Festival, Konark Festival, Mukteswar Dance Festival, Rajarani Music Festival, Dhauli-Kalinga Mahotsav and Shreekshetra Utsav.</td>
</tr>
<tr>
<td></td>
<td>• Some of the important tourist destinations are Puri, Jajpur, Bhubaneswar, Cuttack, etc.</td>
</tr>
</tbody>
</table>

\(^ {84}\) Natureconservation.in
\(^ {85}\) Whc.unesco.org
\(^ {86}\) https://dot.odishatourism.gov.in
### Nature-based and Ecotourism
- Odisha has two national parks and 18 wildlife sanctuaries covering total area of 7,960 sq. km which constitutes 5.11% of total land of the State.\(^{87}\)
- The mangrove belt in Kendrapada district is one of the finest mangrove forests in India.
- Some of the important tourist destinations are Chilika Lake, Simlipal National Park, Bhitarakanika National Park, Gahirmatha, Nandankanan, etc.

### Coastal & Cruise Tourism
- Odisha is blessed with 480 Km of mesmerizing shoreline, boasting of some of the most pristine and unique beach destinations in India\(^{88}\).
- Chandipur beach, Ramachandi beach, Balighai beach and B.niharachandi beach are the major beaches in Odisha.

### Religious Tourism
- Odisha has numerous temples and stupas. Jagannath Temple is one of the most visited temples in India.
- A large section of tourists coming to the State visit the Golden Triangle (Bhubaneswar, Konark and Puri) round the year.
- Lingaraja Temple, Mukteshwara Temple, Vaital Deul Temple are the major temples.
- Buddhist circuit connecting Udaygiri, Ratnagiri, Lalitgiri, Langudi, Kaima and other places of Jajpur district.

### 3.7.3 Investment Opportunities
In an attempt to boost tourism, Government of Odisha has set a target of attracting new investments to the tune of INR 20,000 Cr. in the tourism sector by 2021\(^{89}\). Following are the key investment opportunities spread across the State\(^{90}\).

<table>
<thead>
<tr>
<th>Segment</th>
<th>Investment Opportunities</th>
<th>Locations</th>
</tr>
</thead>
</table>
| Coastal & Cruise Tourism | • Destination development  
• Infrastructure Development for operating Cruise Ship | Satapada, Khurdha, Ganjam; Satapada to Barkul |
| Nature-based and Eco - Tourism | • Infrastructure development: Aranya Eco village | Khallikote, Mangaljodi, Rambha |
| Adventure Tourism     | • Promotion of water based recreational activities such as daytime water sports and laser shows | Rambha |
| MICE & Wedding Tourism | • Development of high end luxury resort with an international convention center. | Rambha |

  • Subsidy of 75% of the actual expenditure incurred on accommodation in hotels of Odisha during film shooting shall be reimbursed subject to a ceiling of INR 10 lakhs  
  • Reimbursement of training cost at INR 2,000/employee                                                                 |
| Other Relevant Policies     | • Applicable to the coast of Odisha up to 12 nautical miles from the coastline and water bodies within the State for undertaking water sports activities. |

[^91]: [Visit Odisha](https://visitodisha.org/Odisha_Tourism_Policy_2016.pdf)
A Memorandum of Agreement was signed in 2017 between Government of Odisha and Air Asia Berhad for direct international air connection between Kuala Lumpur, Malaysia and Odisha. Government of Odisha has also joined hands with internationally recognized travel and tourism festivals like World Travel Mart, Pacific Asia Travel Association and ITB Berlin for attracting tourists across the world. Odisha tourism promoted and extended financial support to Indian Hockey League, Asian Athletic Championship 2017 and also hosted the Men's Hockey World Cup 2018.

3.8 Punjab

3.8.1 Tourism Outlook

Punjab - the Land of five rivers and ‘granary’ of India is a specimen of rich culture and heritage. Acknowledged as the cradle of civilization, it is a land of ethnic and religious diversity. Punjab's many festivals viz. *basant, teej, lohri and baisakhi*, to name a few are celebrations that showcase the farming ethos.

The state has now emerged as one of the fastest growing state in tourism with CAGR of 17.7% in tourist footfall over the period 2013-17. Total footfall has increased from 21.5 million to 41.4 million during the period. Moreover, the state has seen a phenomenal CAGR of nearly 52% in foreign tourist arrivals during the same period ending 2017 at 1.1 million. With a slew of initiatives announced over the last two years to promote spiritual, heritage and ecotourism, the state is likely to break into top 10 tourist destination states in India and the sector to be a backbone of economic and employment growth.

3.8.2 Major Tourism Themes Attracting Tourists

<table>
<thead>
<tr>
<th>Themes</th>
<th>Key Tourist Destinations</th>
</tr>
</thead>
</table>
| Religious Tourism             | • Amritsar, with its leading destination of the Golden Temple, accounts for ~50-60% of the total tourist inflows over the years and its gaining in popularity.  
• A sum of Rs 300 Cr. has been allocated for the celebration of 550th birth anniversary of Sikhism founder Guru Nanak Dev ji this year, including investments in infrastructure at Sultanpur Lodhi, Dera Baba Nanak and Badla, heritage museum and an inter-faith studies institute at the Guru Nanak Dev University. |
| Heritage & Cultural Tourism   | • Historical places like Wagah border, Jallianwala Bagh, Gobindgarh Fort, Qila Mubarak and Sheesh Mahal of Patiala are some of the iconic historical attractions in the state.                                                                                                                                                                                                 |

3.8.3 Investment Opportunities

Punjab forms an ideal tourist destination for people fascinated by culture, heritage and spirituality. The State has a strong infrastructure for tourism by having international airports and one of the best rail and road connectivity in the country.

| Heritage & Cultural Tourism | Opportunity to reuse/refurbish heritage properties as hotels, museum etc. The state has consistently figured among the top ‘clean’ and ‘heritage’ tourism destinations in India  
State government has identified 20 heritage sites to be developed on a PPP mode  
State offers USPs around ‘religious’, ‘Sufi’, ‘Mughal’ and ‘Maharajas’ which are sought to be developed as distinct tourist circuits |
| Nature-based and Ecotourism  | Develop theme parks, eco-tourism facilities and amusement parks; Renovation and modernization of canal front in Jalandhar at a cost of USD 1.2 million |

- **Harke Wetland Development**: the state is developing the Harke wetland as an eco-tourism spot with a total allocation of INR150 Cr. This shall include provision of Shikaras, angling, rafting and parasailing facilities among others.

- **Thematic Circuits**: the state has sought to promote circuit touring concept through thematic circuits. Some of the thematic circuits which are being detailed out include: the Heritage Circuit, the Mughal Circuit; the Maharajah Circuit; the Sufi Circuit; Amritsar Circuit; the Patiala Trail, the Ludhiana Circuit; the Chandigarh Circuit; the Nature Circuit; the Ferozepur Circuit (comprising the Indo-Pak frontier trail), Taste Punjab, the Punjab Retreat, Fashionable Punjab, Punjab in Style, Festive Punjab, and Punjab Agritours.

---

92 Invest Punjab  
93 Invest India Investment Grid Portal
3.8.4 Policy Support

The state of Punjab has envisaged covering all aspects of tourism promotion through a series of policy measures including the State Tourism Policy and the Cultural Heritage Policy over the last 2 years.

<table>
<thead>
<tr>
<th>Name of the Policy</th>
<th>Punjab State Tourism Policy 2018</th>
</tr>
</thead>
<tbody>
<tr>
<td>Land Aggregation &amp; Allotment</td>
<td>30 potential destinations across Punjab have been chosen to be developed into world-class tourism spots; a series of thematic circuits to be developed and promoted. The State has sought to develop Medi-city in New Chandigarh with an aim to bring in highest standards in medical care along with clinical research and training; Land allotted to several private/charitable hospitals to develop world class facilities. Special projects to develop Amritsar as a tourist hub and Patiala as ‘Heritage City’ with a special allocation of INR 590 Cr. from the State and INR 200 Cr. from Centre.</td>
</tr>
<tr>
<td>Incentives &amp; Concessions</td>
<td>100% exemption from entertainment tax to all new investments in special theme parks/ amusement parks/ water parks/ adventure parks/ cinematic tourism like film institute/ film city/ film studio/ theatres/ mini-theatres etc.</td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td>Other Relevant Policies</td>
<td></td>
</tr>
<tr>
<td>Culture Heritage Policy</td>
<td>Second state after Manipur to have a Culture Heritage Policy aimed at protection, preservation and conservation of the state's tangible and intangible culture.</td>
</tr>
<tr>
<td>Film Tourism Policy</td>
<td>A separate Film Tourism Policy is in the offing to promote the Punjabi film industry and create a conducive environment for national and international film shoots in the state.</td>
</tr>
</tbody>
</table>

**Investment Facilitation**

- The State would provide fiscal and monetary incentives to the investors such as treating tourism at par with other industries (tourism as an industry), tax holidays, power and water subsidy, exemption from house tax and transfer fee (except registration charges), and entertainment tax, particularly for amusement parks and leisure facilities.

- Punjab Bureau of Investment Promotion or Invest Punjab has been set up by the Government of Punjab as the single point of contact for regulatory clearances and approvals for fiscal incentives to facilitate investors who are looking to set up a business in Punjab. As the nodal agency, the Bureau has been entrusted the responsibility to ensure a smooth transition of the project from the proposal stage up to the implementation stage.

<tr>
<td>Adventure Tourism</td>
<td>• Conceptualizing and designing new adventure sports routes, trails and areas</td>
<td>Darjeeling, Sundarbans, Sandakphu, Tiger Hill, Singalila, Jaldapara, Bakkhali, Sagarrdwip, Kalimpong, Mirik, Susunia</td>
</tr>
<tr>
<td></td>
<td>• Promoting adventure tourism with adequate infrastructure development and ensuring safety standards</td>
<td></td>
</tr>
<tr>
<td>Heritage &amp; Cultural Tourism</td>
<td>• Partnership with the State Government in developing World Class Museums</td>
<td>Kolkata, Hooghly, Nadia, Birbhum, Bankura, Bardhhaman, Darjeeling, Jalpaiguri, Alipurduar</td>
</tr>
<tr>
<td></td>
<td>• Development of cultural centers</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Operation and maintenance of heritage properties in PPP</td>
<td></td>
</tr>
</tbody>
</table>

The State Government is in process of implementation of mega eco-tourism projects in West Bengal, including Gajoldoba eco-tourism project in Jalpaiguri and Jharkhari eco-tourism project in South 24 Parganas under PPP with a cumulative investment potential of more than INR 800 Cr.

- **Gajoldoba ecotourism hub (Bhorer Alo):** Spread over 208 acres of land between the Teesta Barrage and the Baikunthapur Forest, this mega project envisaged to be the new eco-tourism destination for North Bengal. The project envisaged to offer integrated tourism facilities with eco-tourism cottages, Wellness spas, high end eco-lake resorts, star category eco-resorts, food courts, hospitality training institutes, museum, amongst others.

---

103 Department of Tourism, Govt. of West Bengal
• **Jharkhali ecotourism project**: The project site is spread over 99 acres of land on the bank of river Herobhanga near the mangroves of Sundarbans in South Bengal. The region is equipped with basic support infrastructure including road connectivity, power supply, water supply, sewerage and sanitation amongst others.

### 3.10.4 Policy Support

<table>
<thead>
<tr>
<th>Name of the policy</th>
<th>West Bengal Tourism Policy 2016 and Incentive Scheme 2015</th>
</tr>
</thead>
</table>
| **Land Aggregation & Allotment** | • Tourism Department in consultation with the Land, Land Revenue Department, the Urban Development Department and the district authorities, identify and earmark lands that can be made available for tourism related projects  
• Land for tourism projects will be auctioned to the highest bidder after adequate publicity  
• Tourism Department will prepare lists of land assets and may indicate tentative prices of the assets based on acquisitions cost, development charges and premium etc. at least a month before the offers are received/ invited  
• 50%-70% reimbursement of Stamp Duty and Registration Fees |
| **Project Sanctioning Methods** | • The State Government has developed Single Window e-Service under Shilpa Sathi to provide all industry related services online (project application process described below)  
• As part of Shilpa Sathi, Department representatives physically come to the single window on defined days to monitor progress of projects and expedite required clearances  
• The State Government has recently developed an Industrial Grievance Redressal App (Silpadisha) to facilitate investment realization |
| **Incentives and Concessions** | • State Capital Investment Subsidy ranging from 7.5%-25% subject to a limit of INR 175 lakhs  
• Waiver of electricity duty for a period of 5 years  
• 50%-75% of the annual interest liability on term loan borrowed from Financial Institution subject to a max limit of INR 30 lakhs for 7 years  
• Reimbursed of up to 50% of the fixed capital investment expenditure for quality improvement, modernization, and installation of pollution control devices and obtaining ISI/BIS/ISO certification subject to a maximum of INR 7.5 lakhs  
• Exclusive incentives for mega tourism projects through State Capital investment subsidy, reimbursement on stamp duty and registration fee, waiver of electricity duty, capacity utilization and tourism promotional assistance |
| **Other Relevant Policies** | • The policy aimed at providing extra income to locals by allowing them to rent their rooms to tourists  
• The State Government offers marketing and capacity building support to homestay owners |

[104]https://www.wbtourismgov.in/
West Bengal Tourism has recently ramped up its marketing and communication efforts to attract inbound tourists. It has produced various innovative collaterals such as captivating video on tourism products of the State. Further, the State Government has strengthened digital and social media networks to connect with potential tourists across the world. The State Government has also developed attractive tourism packages exclusively for foreign tourists to celebrate the Durga Puja Carnival.

3.11 Andhra Pradesh

3.11.1 Tourism Outlook

Located on the southeastern coast of India, Andhra Pradesh (AP) has the second longest coastline in the country of 974km along the Bay of Bengal. The state is gifted with a wide variety of ecology, flora & fauna, along with natural assets such as Eastern Ghats, Forest, Coastal plains and delta regions formed by the two major rivers - Krishna and Godavari.

Andhra Pradesh majorly attracts domestic tourists and foreign tourist arrivals have picked up from past two years. In 2017, Andhra Pradesh was one of top ranked state in India (4th) in domestic tourist arrivals with 165 Million domestic tourist footfalls and in 2018, the state has attracted 194 Million Domestic footfalls along with 0.28 Million foreign footfalls105.

Andhra Pradesh is also consistently attracting investments in tourism sector with its Tourism Policy 2015-20106.

105 Department of Tourism, Government of Andhra Pradesh
106 Ministry of Tourism, Government of India
3.11.2 Major Tourism Themes Attracting Tourists

Andhra Pradesh offers unique tourism products such as beach & water-based products, eco-tourism, religious circuits, Buddhist and Heritage, MICE and adventure tourism. These products attract tourists across the globe.

### Themes

<table>
<thead>
<tr>
<th>Themes</th>
<th>Key Tourist Destinations</th>
</tr>
</thead>
</table>
| Coastal & Cruise Tourism    | • Andhra Pradesh has the second largest coastline (974 kms) in the country and provides a perfect opportunity for beach & water-based infrastructure and activities  
\• Some of the famous beach destinations include RK beach, Mypadu, Manginapudi, Vodarevu and Suryalanka |
| Nature-based & Ecotourism   | • Andhra Pradesh with natural assets such as Eastern Ghats and backwaters offers various destinations for ecotourism  
\• Araku Valley, Horsley Hills and Papi Kondalu are some of the famous destinations for ecotourism                                                   |
| Heritage & Cultural         | • Andhra Pradesh is famous for rock paintings and natural cave & rock formations. Key destinations are Chintakunta caves, Borra caves, Orvakallu and others                                                                 |
| Religious Tourism          | • Andhra Pradesh is home to some of the famous temples such as Tirupati, Srisailam, and Srikalahasti  
\• Andhra Pradesh is home to famous Buddhist sites such as Amaravati, Nagarjunakonda, Bavikonda, BojjanaKonda, Ramateertham and others                                      |
| MICE & Wedding Tourism      | • Vishakhapatnam is being developed as Fintech valley and aims to be in the top three Fintech destinations in the world. This will promote Vishakhapatnam as destination for MICE Tourism. Other popular MICE destinations include Vijayawada and Tirupati |

*Andhra Pradesh Tourism Development Policy 2015 - 2020*
Adventure Tourism

- Andhra Pradesh has numerous places for recreation and adventure. Key destinations are Araku Valley, Gandikota, Vizag, Papi Kondalu, among others

Medical & Wellness Tourism

- Key destinations for wellness activities are Araku Valley, Tirupati, Horsley Hills, Puttaparthi, Vijaywada, among others

For a comprehensive tourism development across the state, Andhra Pradesh has adopted a Hub & Spoke model for tourism development. These 5 hubs are highlighted in the map below.

Under the Hub & Spoke model of tourism destination development, key regions in the state, can be developed as hub locations and all the smaller tourism attractions in the region around the hub locations can be combined to form a Hub-Spoke Circuit.
### 3.11.3 Investment Opportunities

Andhra Pradesh has identified Tourism sector as one of the growth engines for the state to achieve double digit growth and accordingly identified the following investment opportunities:

<table>
<thead>
<tr>

108 *Department of Tourism, Govt. of Andhra Pradesh*
• Government of Andhra Pradesh has constituted Andhra Pradesh Tourism Authority (APTA) in 2016, which develops and promotes the state as the major tourist destination by facilitating the development of new tourism products; conducting research and advising state Government to take necessary steps for holistic tourism development. It shall also prepare a sustainable Tourism Development Plan including guidelines to regulate developmental activities in the Special Tourism Zone. APTA has started Bhavani Island Tourism Corporation (BITC) for development of Bhavani Island near Vijayawada as tourism destination.

• Ministry of Tourism had released INR 10.47 Cr. in 2017-18 for development of Buddhist Circuit, INR 20.95 Cr. for Development of Kakinada Hope Island Konaseema as World Class Coastal & Eco-Tourism Circuit, and INR 32.21 Cr. for development of Coastal Tourism circuit in the State under the Swadesh Darshan scheme (till Dec 2017).

• Ministry of Tourism had released INR 22.69 Cr. (till Dec 2017) for development of Amaravati Town as a tourist destination out of the sanctioned INR 28.36 Cr. and INR 9.49 Cr. for development of Srisailam temple out of the sanctioned INR 47.45 Cr. under the PRASHAD scheme (till Dec 2017).

3.11.4 Policy Support

The objective of Andhra Pradesh Tourism Policy 2015 – 2020 is to facilitate investments in the tourism sector to the tune of Rs 10,000 Cr. and contribute 7% to the State GDP by 2020 and INR 30,000 Cr. by 2029.

Tourism circuits/destinations will be developed based on Hub & Spoke model, where five important tourism hubs (Visakhapatnam, Vijayawada, Tirupati, Rajahmundry, Kakinada and Srisailam-Nagarjuna Sagar) will be developed by 2020, and all other district headquarters as tourism hubs by 2029.

Nine major themes for tourism projects have been identified: beach & water-based, eco-tourism, Buddhist, religious, heritage, MICE & infrastructure development, recreation/adventure, spiritual/wellness and medical.

| Incentives & Concessions | • Investment subsidy of 15% of value of Total Project Cost, excluding the cost of land, for setup and operation of tourism services. Investment subsidy is capped at INR 1.25 Cr. for project cost of INR 1-10 Cr. and INR 2 Cr. for project cost of INR 10-20 Cr.  
• Incentives towards Complementary/Linkage infrastructure is provided between 5% - 15%, depending on the project cost  
• 100% reimbursement on Registration and Stamp duty for all Tourism Infrastructure Projects  
• All projects with investment above INR 200 Cr., irrespective of the location of the projects in the State, shall be treated as Mega tourism projects and additional incentives/concessions will be accorded on a case-to-case basis  
• No charges for Non-Agriculture Land Assessment (NALA) or Land Use Conversion  
• Performance based incentives and marketing incentives provided for Tourism Infrastructure projects  
• Tourism Infrastructure projects accorded ‘Industry’ status for specified purposes |
| Other Relevant Policies | Land Lease Policy for Tourism Projects, 2016  
• Government land can be leased for hotels, resorts, MICE, wayside amenities, amusement parks, wellness resorts and other tourism projects through a transparent bidding process. |

**Initiatives to Promote Inbound Tourism**

The State Government organized Araku Balloon festival, where various activities such as hot air ballooning, gliding, camp stays and excursions were conducted in its second edition in 2019. The State also hosted international F1H2O boat racing event in November 2018 for the first time, along with other events like row boating and air shows. It is also gearing up to host Aqua Bike Championship. The State is also setting up scuba diving academy at Chintapalli and adventure sports academy at Gandikota.
Way Forward
4. Way Forward

Rapid growth in India’s Travel & Tourism sector over the recent years, significant jump in international rankings, and rise in the Travel & Tourism GDP are testimony of India’s enormous potential in the sector. However, there is a much greater opportunity available which can propel India among the top ranked tourism destinations in the world and also position as a preferred tourist destination. Systematic growth and maintenance of key tourism destinations, sustainable development of Tourism destinations, and heightened focus towards promoting the emerging avenues of tourism will be essential towards unlocking the true potential.

The growth in India’s travel & tourism sector has largely been driven by domestic tourists. Foreign tourists still account for a limited share as compared to some of the top ranking countries. The Government of India intends to achieve the ambitious target of 1% foreign tourist arrivals in world’s international tourist arrivals by 2020 and increase it to 2% by 2025113. In 2017, India’s share stood at 0.76%, which highlights that there is a potential gap that needs to be bridged114.

In order to achieve this target and make India a Tourism Superpower, coordinated and concerted efforts on multiple fronts will be required.

1. **Tourism Competitiveness Index/ Ease of Doing Business (EoDB) Rankings for States/ UTs:** Ministry of Tourism, on the lines of WEF Tourism Competitiveness Index, identify parameters according to the Indian Tourism landscape for developing a Tourism Competitiveness Index or EoDB Ranking mechanism. The parameters may include policy measures for developing tourism & related infrastructure, availability & ease of land allotment process, project approval mechanism, grievance addressing mechanism, measures to improve safety & security of tourists, and other initiatives towards the growth & development of the sector. Information from districts & states can be collected and published in a standard format. This will result in easier decision making for investor as well as promote the spirit of competitive federalism and encourage states to take accelerated measures in tourism sector.

---

2. **Creation of National Tourism Authority & Advisory Council:** A central level body can be created under the ambit of Ministry of Tourism which includes representatives from the Government and private sector. The private sector representatives should include experts from different tourism segment, including traditional and emerging, so as to incorporate specific inputs for thematic development. The body should also include representatives from other ministries such as Ministry of Shipping; Ministry of Environment, Forest & Climate Change, etc. for greater coordination. The advisory council will provide inputs for policy level decision making and also be approving authority for large scale projects.

3. **Incentivize Private Sector Participation:** Government should incentivize private players to invest in unserved/ under-served tourism projects. Further, a different incentive structure can be adopted for sustainable development of the lesser explored destinations. For instance, interest subvention scheme can be introduced for small tourism projects like community homestays, RO-RO and boat operators. Additional incentives, like additional interest subvention post COD, can be provided to projects (including new hotels and resorts) at tourist destinations with limited tourist facilities and connectivity.

4. **Rationalizing GST for Hotels:** GST applicable on hotels varies according to the room tariff. Rooms with tariff INR 2,500 - 7,500 per night attract a rate of 18% and rooms with tariff of INR 7,500 and above per night attract a rate of 28%. This makes the premium/ luxury hotels and resorts in India among the most taxed in the world, higher than cities such as New York, London and Paris. Further, the tax on hotels in other Asian countries such as Thailand, Singapore, Malaysia and China is much lower in the range of 6-7%. This makes the segment less competitive as compared to other Asian peers. It is therefore recommended to reduce GST with a ceiling of 18% on hotel rooms to make the segment more competitive and keep aspirational luxury travel within the reach of a wider customer segment.

5. **Land Bank Repository:** Availability of a suitable land parcel is the preliminary step for assessment towards development of a tourism project. While few states regularly list the available land banks on their websites, the availability of updated information is a challenge. A tourism specific land banks needs to be developed and made accessible over an interactive web platform. This will enable the investor to assess the preliminary viability of their projects basis the nature and location of land parcel without physically visiting the site in the initial stages. This needs to further be supported by appointment of a nodal officer/ land officer to facilitate site visits by investor and address queries from ‘Inception to Commissioning’.

6. **Greater Coordination at State Level:** India ranks 104th in ‘Prioritization of Travel & Tourism’ pillar of WEF Travel & Tourism Competitiveness Report 2017. There is a need for focused initiatives towards prioritizing Tourism sector across all levels of Government. While the Centre needs to finalize the National Tourism Policy, States will remain the driving force behind implementation of tourism developmental initiatives in their respective regions. It is therefore important for states to have greater coordination between policy-roadmap-budget for effective implementation and timely completion of initiatives.

7. **Upgrading Government-owned Infrastructure through Private Sector Participation:** State tourism departments and associated agencies (such as the ones maintaining forest bungalows, etc.) maintain a large inventory of tourism infrastructure. A large number of such resources are at exquisite locations with immense tourism potential, but are lying idle or in bad shape. Operation and maintenance of such properties can be outsourced to private sector which would result in better upkeep of such properties, enhanced economic activity and also boost room inventory.
8. **Industry-oriented Skill Development**: Due to its multiplier impact on job creation, it is critical for the local workforce to be skilled as per the industry demands. This also holds true vice versa as growth of the sector, as envisioned by the Government and the industry, will only take place if there is an adequate pool of skilled workforce available. Hence, local skilling needs to be taken up on priority in consultation with the industry to train on specific skills required for development of thematic and niche tourism products.

9. **Supporting Small Enterprises**: Several initiatives are being undertaken to promote inclusive development of the tourism sector, such as homestay policies, skill development etc. To further support small enterprises and regional communities, there is a need for special provisions and incentives so as to enable access to cheaper credit. Further, facilitating ancillary industry linkages, such as use of local farm produce, handmade soaps, art & crafts etc. by hotels & restaurants will lead to holistic development of the regions and thereby truly making tourism as the growth engine of the economy.

10. **Leveraging Social Media to Boost Inbound Tourism**: Social media should be leveraged to promote highly customized content based on user behavior. Social media influencers, particularly travel bloggers on Instagram, have huge following. An annual conclave of such influencers can be organized in India along with personalized tours for them to promote India’s tourist destinations through their channels. Content proliferation through such influencers will reach to a large and targeted segment of potential travelers.

11. **Technology Penetration in Tourism Sector**: Technologies such as Big Data Analytics and Artificial Intelligence should be employed to deliver insights into consumer behavior, spending pattern, duration of stay, preferred destinations according to region/ country of origin/ age group, etc. These insights should be used to curate targeted promotion & publicity campaigns. Further, creation of a cashless ecosystem for tourists and technologies like Augmented Reality (AR) and Virtual Reality (VR), Internet of Things (IoT), wearable devices for tourists etc. can be utilized to enhance service quality and delivery leading to enhanced tourist experience, effective promotion and increased sense of security among tourists.

12. **Combined VISA Option**: India is largely a long-duration destination for foreign travelers. Tourist destinations with good air connectivity may be promoted as short-haul destinations. Further, India can work with other member countries of BIMSTEC, SAARC and ASEAN to offer ‘Combined Visa’. Such visa will result in conversion of stopovers to short-haul visits and will also add India on itinerary of tourists on long visits to the South Asian region.

13. **Focus on Source Markets**: Promotion & Publicity campaigns should be customized according to the trends and requirements in the source markets. For instance, China is the world’s largest outbound market and accounted for USD 258 billion in international tourism Expenditure in 2017.\(^{115}\). However, Chinese tourist arrival to India has declined recently. Therefore, campaigns should be structured around attracting tourists from large outbound tourism markets in the world, showcasing tourism products based on their preferences. For instance, Australia has developed China 2020 strategic plan to boost inbound tourist arrivals from China through various interventions. Similar approach for attracting tourists from focus markets can be adopted by India as well.

14. **Focus on North East India**: With the implementation of RCS UDAN scheme, air connectivity in North East has received much needed boost. Except for Guwahati, the hospitality industry in rest of North East is largely dominated by local players with smaller inventories and limited variety of product offerings. Thus, there is an urgent need to focus towards development of quality accommodation infrastructure across the region to unlock the true potential of North East.
