

# National Platform on Disaster Risk Reduction

May 13-14, 2013  
Vigyan Bhawan, New Delhi

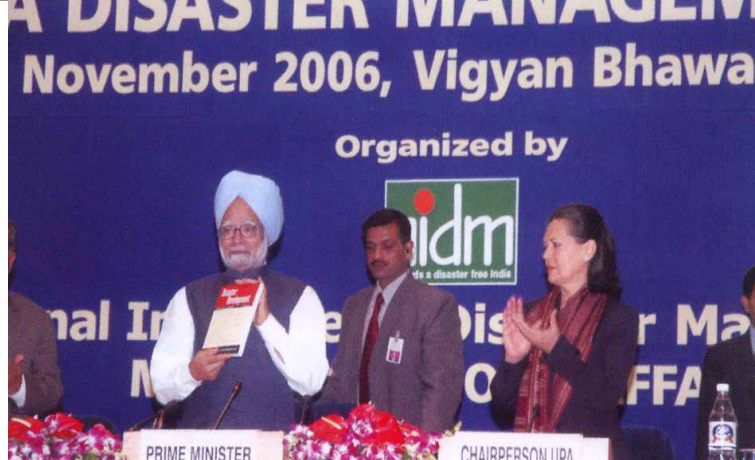

## BACKGROUND

Highly fragile eco-system coupled with physical, social and economic vulnerabilities grade India as one of the most multidisaster prone countries of the world. Scenario necessitates to actively take a holistic approach which encompasses all facets of disaster management in the country. India, as a country has made a humble beginning in strengthening institutional mechanism, building response capacities and institutionalization of financial arrangements. Moving progressively forward, nation has to continue with its new commitment and endeavour towards higher levels of preparedness, mitigation and response mechanisms amongst multi stakeholders.

In this process of way forward, Ministry of Home Affairs, Government of India along with National Disaster Management Authority and National Institute of Disaster Management, has envisaged to organize the **Conference & Exhibition - National Platform on Disaster Risk Reduction (NPDRR) on 13th - 14th May, 2013**. The NPDRR is a national forum to bring policy makers, disaster managers, responders, industry and academia together for a thoughtful reflection, exchange of views and sharing of best practices, processes, equipment, technologies, innovations and research findings. The NPDRR would provide a window for mutual cooperation in the field of Disaster Management and act as coordination mechanism for mainstreaming disaster risk reduction measures into development policies, planning, and programmes. The first National Platform is dedicated to the theme of **“Mainstreaming Disaster Risk Reduction in Development: from Risk to Resilience”**.

In the past, National Institute of Disaster Management, Ministry of Home Affairs, Government of India has organized India Disaster Management Congress (IDMC) with the objective to promulgate best practices on disaster management through knowledge sharing with various stakeholders. As envisaged by Government of India, IDMC has now been merged with NPDRR and amalgamated into a single event. Therefore, all those who have been participating & exhibiting in IDMC earlier are welcome to participate in the NPDRR.

*Inaugural Ceremony of First India Disaster Management Congress (IDMC)*

*Valedictory Ceremony of Second India Disaster Management Congress (IDMC)*

## OBJECTIVES OF NATIONAL PLATFORM

Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies. FICCI has contributed to this historical process by encouraging debate, articulating the private sector's views and influencing policy.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry.

FICCI draws its membership from the corporate sector, both private and public, including SMEs and MNCs; FICCI enjoys an indirect membership of over 2,50,000 companies from various regional chambers of commerce.

FICCI provides a platform for sector specific consensus building and networking and as the first port of call for Indian industry and the international business community.

**Our Vision:** To be the thought leader for industry, its voice for policy change and its guardian for effective implementation.

**Our Mission:** To carry forward our initiatives in support of rapid, inclusive and sustainable growth that encompass health, education, livelihood, governance and skill development.

To enhance efficiency and global competitiveness of Indian industry and to expand business opportunities both in domestic and foreign markets through a range of specialised services and global linkages.
