

## **FICCI comments on the Cabinet Approval on the redevelopment of railway stations**

*"It is a positive measure in the right direction", says FICCI Secretary General A. Didar Singh*

**New Delhi, 16 July 2015:** FICCI has welcomed the cabinet approval of the proposal for allowing redevelopment of around 400 railway stations on 'as is where is' basis, through open invitation from interested parties.

"It is in line with this year's Rail Budget announcement and this will help attract greater private participation. It is a positive measure in the right direction and will be a win-win for private players, rail-users and railways", **said Dr. A. Didar Singh, Secretary General, FICCI.**
