

## FICCI comments on National Civil Aviation Policy 2016

**New Delhi, 15 June 2016:** Commenting on the National Civil Aviation Policy 2016, FICCI Civil Aviation Committee Co-Chairman **Mr. Palash Roy Chowdhury** said, *“It is outstanding that the Cabinet has cleared the National Civil Aviation Policy (NCAP). It’s a progressive policy-framework towards ensuring a safe and sustainable development of the aviation sector in India. The comprehensive, well thought out policy will pave the way for a balanced aviation growth in the country.”*

*“It would help in stimulating growth and competitiveness of Indian aviation sector when implemented effectively; and would make flying more affordable for domestic flyers and India more accessible to international travellers”*, added **Mr. Chowdhury**.
