NEW DELHI, 26 October 2016: The Federation of Indian Chambers of Commerce and Industry (FICCI) and India New Zealand Business Council (INZBC) today signed a Memorandum of Understanding (MoU) on the side lines of the visit of the Prime Minister of New Zealand to India. The MoU is for collaboration for organizing an Education Summit 'Edutech 2017-Knowledge, Skill, Technology' in Auckland in 2017.

Since education has been identified as one of the focussed sectors for collaboration between the two countries, the Summit would provide an ideal platform for bringing the people involved in the education sector on a common platform. The Summit is supported by the New Zealand Government.

It is noteworthy that a number of members on the official business delegation of the Prime Minister of New Zealand are from the higher education sector and key members were present at this MoU signing.
