

FICCI comments on cabinet approval of policy for preference in public procurement

New Delhi, 24 May 2017: FICCI welcomed the approval of policy for preference in public procurement by the cabinet today. Dr. A Didar Singh, Secretary General, FICCI said "this was the long-standing demand of Indian industry and is essential to promote domestic manufacturing growth. This is a legitimate tool under our multilateral commitments and with number of major government initiatives this can be leveraged to promote value addition, create employment and give a much needed boost to the manufacturing".
