

FICCI comments on IIP data for June 2017

New Delhi, 11 August 2017: Commenting on the IIP for the month of June 2017, **Dr. A. Didar Singh, Secretary General, FICCI** said “The fall in manufacturing which is more broadbased this time is a cause for concern and underlines the need for more reforms especially at the state level. This is important to improve the investment climate further”.

“Besides reforms at the state level, we need to ensure faster development of our infrastructure which is a major enabler of growth and instrumental in reducing the cost of doing business in the country to make our manufacturing competitive” **Dr. Singh added.**
