Synopsis

Representation made to Industry, Commerce and Enterprises Department, Government of West Bengal on Logistics Sector Development in West Bengal

West Bengal stands at an advantageous position to emerge as a leading globally integrated logistics hub given its favourable strategic location, upcoming major economic corridors and large scale infrastructure projects. Logistics is one of the priority areas of the State Government. Keeping the significance of the sector in view, FICCI has constituted a Logistics committee for the State of West Bengal in Kolkata comprising of Owner Promoter groups, E-Commerce and Global Logistics majors having on-going logistics projects in the state or in the advanced planning stage for setting up Multi Modal Logistics Parks and warehouses.

The Representation covers specific issues and suggestions pertaining to:

- Ease of Doing Business for the sector in the State
- Infrastructure and Land related issues
- Transportation and introduction of Technology in the sector
- Best Practices, Incentives and West Bengal Logistics Park Evaluation Framework
- Logistics Masterplan for Kolkata
