Arun Goyal

Minister (Economic & Commercial)
Embassy of India, Tokyo
2-2-11 Kudan Minami, Chiyoda-ku
Tokyo-1020074

T : +81-3-32617850
F : +81-3-32610723
E : mec@indembjp.org

Profile

Mr. Arun Goyal is an officer of Indian Administrative Service. He is a Post Graduate in Management (MBA) from Indian Institute of Management, Ahmedabad and a Graduate in Electrical Engineering from the University of Delhi. He also has a Post Graduate degree in Economics and a Post Graduate degree in Development Management from Glasgow Caledonian University, UK. During the last 25 years in Government, he has held various important positions in both the State and the Central Government, particularly in the areas of Finance, Commerce, Power and Industry.

Prior to the present assignment, he was Director of Financial Intelligence Unit-India under the Ministry of Finance for more than four and a half years. He was responsible for receiving, processing, analyzing and disseminating valuable financial information for combating money laundering, financing of terrorism and other related crimes. He played a key role in making Indian Financial Intelligence Unit fully operational after adopting the industry best practices and state of the art technology.

During 2004-06, as Chairman & Managing Director of Delhi Transco Ltd. and Special Secretary (Power) in Govt of Delhi , he carried forward the historic and challenging power sector reforms initiated in Delhi in 2002 involving unbundling of power sector and privatisation of distribution business.

During his tenure as Deputy Secretary in the Ministry of Commerce, he conceived 'Focus – LAC' program in 1995-96. The program was aimed at promoting bilateral trade with Latin American Countries. The program is still continuing and has resulted in exponential growth of bi-lateral trade between India and Latin America.

Other important positions held by him include Chief Electoral Officer of Delhi; Secretary to Lt. Governor of Andaman & Nicobar Islands and Secretary (Finance) in Andaman & Nicobar Administration.

He is widely travelled and has represented India at various bilateral & multilateral forums including World Trade Organisation, UNCTAD, Financial Action Task Force (FATF) and the Egmont Group of FIUs.

He has been Minister (Economic & Commercial) in the Embassy of India, Tokyo from 3rd November, 2010.

Vinay Mahendru

Technology Transfer/Joint Venture for new Technologies in Lighting/Lithium ion batteries application & electrical and electronic manufacturers.

Ambika Sharma

Deputy Secretary General & Head – International Division
Federation of Indian Chambers of Commerce and Industry

Federation House, Tansen Marg
New Delhi-110001

T : +91-11-23736192
F : +91-11-23721504
E : ambika.sharma@ficci.com

Profile

Ms. Ambika Sharma is currently Deputy Secretary General and Head – International at the Federation of Indian Chambers of Commerce and Industry (FICCI). Ms. Sharma joined FICCI in 1986 and has over the years overseen and contributed towards policy work and engagements of various divisions at FICCI. During her tenure at FICCI she had led various domestic and international teams including the Americas, Europe, Asia Pacific and Oceania, Africa and Foreign Trade Policy Division and has been associated with some of the most innovative and worthwhile initiatives of FICCI.

As Deputy Secretary General and Head of International Operations, she is responsible for taking forward FICCI's international agenda. Her mandate covers providing perspectives and views on behalf of Indian industry on global economic policy matters. She is also responsible for conceiving and implementing mega programs that help contribute to the globalization drive of the Indian industry. Ms. Sharma works closely with the Government of India and represents FICCI in various bilateral and regional fora for deepening India's external economic relations.

Ms. Sharma has also been instrumental in setting up new verticals in FICCI such as the Multilaterals Division and the Foreign Policy Division to cater to the evolving requirements of Indian industry. She has actively spearheaded numerous training & capacity building programs and initiated SME platforms for Indian industry with key countries across the globe. She also manages the work of FICCI's newly established International Council, the highest policy making body in the Federation for envisioning and guiding its global outreach.

Under Ms. Sharma's leadership, FICCI International Division has entered into several partnerships with Employers Federations and Industry Bodies across countries. She has also played a key role in defining some of FICCI's strategic initiatives and tie-ups such as the FICCI-USAID Millennium Alliance, FICCI's engagement at the B20, FICCI's partnership with the BOAO Forum for Asia, setting up of Invest India, organizing Made in India Shows and servicing bilateral CEO's Forums.

Another key dimension of FICCI's International Division is to connect the sectoral verticals at FICCI with global institutions for evolving mutually beneficial partnerships. Ms. Sharma has led this effort successfully and initiated such partnerships in both traditional and emerging areas of the economy including sectors such as textiles, education, skill development, environment, aerospace and defence. She has also guided the work of FICCI's regional / state chapters in promoting the idea of state to state connect between India and countries abroad as well as supported government initiatives to reach out to Non-Resident Indians and getting them engaged in development work in their home states.

Ms. Sharma has travelled extensively to more than 50 countries across the world and some of these visits have been at the request of the host governments with the view to promote bilateral relations.

Her academic background comprises a Post Graduate Degree in Business Economics from India's prestigious Delhi University - where she graduated summa cum laude with a Gold Medal. Ms. Sharma has participated in a number of Executive Training programs conducted by EU. She has also been nominated by FICCI for senior leadership management programs at institutions such as XLRI, Jamshedpur

Ranjit Barthakur

Chairman
Globally Managed Services

6th Floor, MET Building, General A K Vaidya Chowk,
Bandra Reclamation, Bandra (West)
Mumbai-400050

M : +91-9820018180
E : Ranjit.barthakur@tcs.com

Profile

Ranjit is currently the Chairman of Globally Managed Services (GMS), a small Operational Consulting Incubator which was founded in 2002. He brings over 35 years of varied experience in managing and leading companies in a wide range of industries, including Fast Moving Consumer Goods, Telecommunications, Tourism, Technology, Environment, Ecology, Outsourcing and Healthcare.

Ranjit is the Chief Architect of the thought process at GMS of developing the theme of NaturenomicsTM and has co-founded several initiatives under this theme - Balipara Foundation (promoting agriculture and bio-diversity based community initiatives), GMODI (promotes organic cultivation among farmers with market linkages), AgriQuest (hub-and-spoke community farming and aggregation with forward market access), FarmQuest (large agricultural land banks for organized cultivation), NatureFirst (focused on restoring the balance between nature through land,energy,waste, water, air and carbon) and River Journeys and Bungalows of India (nature based tourism business).

Ranjit has also set up other entrepreneurial ventures such as Agilisys [a leading technology solutions provider (Netdecisions)], Advent Healthcare (a facilitator in the healthcare industry in India), Med-Ind Healthcare (integrated managed healthcare services provider) and Green Ecological Managed Services (GEMS & NatureFirst)-(A fully integrated, first of its kind environmental services organization) which was acquired by TCS and Ranjit remains an Advisor to the Environmental Services Unit. In addition, Ranjit was an Advisor to the Board and management of groups like Max Healthcare (one of India's largest private healthcare services providers), Anand Group (one of India's largest automobile components groups), and Airtel (India's largest mobile telecom service providers) in the North East. In addition to various initiatives, GMS is currently engaged

with various Tata Group companies. He is in the process of incubating three independent verticals – Water, Legal Corporate Services, Jungle and Forest Management. In order to keep himself healthy he has founded and is currently the Chairman of 'Rajasthan Royals', the inaugural champions of the Indian Premier League!!

Prior to becoming an entrepreneur, Ranjit was CEO of Hutchison Max-Touch Telecom (Vodafone) in India, Chairman of Marconi in the Indian Sub-continent, and held senior positions in Sales and Marketing at ITC, one of India's leading Fast Moving Consumer Goods companies. Ranjit has extensive hands-on experience in diverse geographic markets like India, South East Asia, Japan, Russia, Middle East, UK, Europe and USA.

In 2001, Ranjit stepped into public service when Assam Government appointed him as Advisor for strategy, action planning, project formulation, investment initiation and image building exercise for the state of Assam and has been continually serving after being reappointed in 2011. In addition to this he is supporting Mr.S.Ramadorai, Advisor to the Office of Prime Minister of India on National Skill Development.

Ranjit strongly believes in ***'Social Entrepreneurship towards Betterment of Human Health ,Skills-Education and Environment'*** and is consistently driving these initiatives and projects. Ranjit has initiated growth projects for public interest, social development, and innovation in social business, environmental conservation and market consolidation. He is hoping that his emphasis on promoting environmental preservation coupled with his openness to transfer his knowledge and innovative ideas will help this sector better.

Key Social Entrepreneurship initiatives have been implemented through following initiatives:-

- Operation Smile' in India, a voluntary organization doing path breaking work to correct cleft lips, cleft palates and other facial deformities in children around the world-Chairman .
- Balipara Foundation, working towards Ecological Neutrality and he has launched a series of four volumes of Naturenomics™ compilations defining the interdependence between ecology and economics-Founder.
- APPL Foundation which focuses in the fields of Education, Healthcare, Skills Development -Chairman.
- Tata Eastern Medical Trust, striving towards Cancer Cure - Trustee.

Ranjit is a graduate in Economics from Guwahati University, Assam and was born in August 1954.

BST Textile Mills Pvt. Ltd.
309, Woodrow Building
Veera Desai Road, Andheri (West)
Mumbai-400053

T : +91-22-42063999
E : bstyarn@yahoo.com

Company Profile

BST Textile Mills Pvt. Ltd. Is a 100% Cotton Spinning Unit promoted by chief promoters Mr. Mukesh Kumar Tyagi and Mr. Pawan Tyagi, both Textile Technocrats with specialization in Spinning. Having worked at shop floor in various departments of spinning such as Production, Machine Maintenance and Sales/Marketing, it is their all round experience in textiles which gives us an edge over our competitors. The company is emerging fast on the global horizon and has significant growth plans for the future. The Promoter's Totally Professional Approach in all the key areas such as day-to-day production process controls, maintenance, manpower, sales and marketing makes a big contribution towards achieving the most cost efficient quality product. The project also benefits from promoter's vast experience of domestic and international marketing.

Mr. Mukesh has been involved in domestic and international marketing of cotton, poly viscose and 100% polyester ring spun yarns for over two decades. The company has a total capacity of 30,000 ring spindles and 360 rotors with an annual capacity to produce 12,000 MT of 100% Cotton Yarn in Carded and combed. There are 10 latest state of the art TFO's also to produce folded yarns. Machinery in the Unit-II boasts of Truetzschler, Zinser, Rieter and Schlafhorst makes being the World Leaders in Technology. The manufacturing site is located at SIDCUL, Pantnagar (Uttarakhand), about 230 kilometers northeast of Delhi, in a state-of-the-art industrial estate developed by the local Uttarakhand Govt. with excellent road, rail and air links to major cities and ports with in India. SIDCUL is a fast emerging and rapidly growing industrial hub in the north east region of India with excellent infrastructure & benefits from most favorable business policies of the regional administration to help industrial growth.

Our products includes; 100% cotton Ring Spun Raw White Yarns, Carded and Combed, in count range Ne 10's - 34's for Hosiery and Weaving applications. - TFO Doubled and Multifold Yarn such as 3 ply, 4 ply etc. in both Carded and Combed. - Slub yarn from Count Ne 6s to Ne 20s. - Open End Yarns Ne 6s to 20s. At BST, we believe in "An Honest & Fair Business Practice" which perhaps reflects the core values & image of the organization.

Specific Business Interest

The company would be participating in the 38th Joint Meeting of India-japan Business Cooperation Committee to explore business opportunities in area of textiles. We are looking forward to industrial park visits, exploring business opportunities and understanding the Government policies and working.

E : ap@genetixbiotech.com

Company Profile

Two decades ago in 1989 the Company named Chem-Tech was incorporated to promote Sales & distribution of Life Sciences consumables and small instruments, representing BioRAD Laboratories, Spectrum Medical Industries, USA and Amicon Polymers (now part of Millipore).

In 1991, a subsidiary, GENETIX was incorporated to promote and market Molecular Biology Reagents for Stratagene and later for Qiagen, Nalgene, Nunc, Clontech and many others.

Today 20 years later, we are on the leading edge of the entire Indian Life Sciences market and continue to distribute the most innovative core technologies to ensure the success of Biotechnology Research in the fast changing space. Genetix represents market world leaders in Biotechnology/Life Sciences, laboratory Research Products such as, Filtration membranes and Devices, Molecular Biology Kits and Reagents, Biochemistry, Protein Assays, Fine Chemicals, Immunology Reagents, Cell & Tissue Culture, Serum & Media, Chromatography accessories and various instruments for leading Multinational Brands. Genetix initially started as an indenting company for marketing and providing technical support to Indian customers for all the products on our portfolio when most federal government funded customers in India preferred to order directly with the suppliers, as they enjoyed the custom duty exemption for Research and Development. In last 2 decades, Genetix has had the credit of bringing first time into India, number of Best Supplier launching and establishing them into brands in the Indian market such as BioRAD, Spectrum, Stratagene, Qiagen, Ambion, Clontech, Invitrogen, Invivogen, Santacruz, Operon, Exiqon, Nunc, Nalgene, Hyclone, Tosoh Asia and many others.

Milestones of last 2 decades:

- Year 1989 Start of business, first name of the Company Chem-Tech India
- Year 1901 Change of Name – Genetix
- Year 1996 First Company to start warehousing Lab Consumables in India
- Year 2000 Incorporated as a "Pvt. Ltd. Company"
- Year 2008 Put up a manufacturing for moulding Laboratory Plastics
- Year 2009 Acquired business of Palm Cycler from Corbett Research, Australia and moved the production down to India for Thermal Cyclers
- Year 2010 Start of Plastic moulding for Laboratory ware

Specific Business Interest

To explore Distribution & New Business Collaboration.

Company Profile

This is to introduce myself as an herbal practitioner for the past 25 years. I learned in Gurukulam from my father Shri. T.A.Gurusamy who was bestowed with this knowledge by a sage from Thiruvanamalai Tamilnadu. Now I am practising the herbal remedies for the betterment of humanity. In the present world we are not living in harmony with nature. Our fore-fathers were good example for how to live with nature without disturbing it.

I started Young Star Herbal Products aiming to serve humanity. I have specialized in controlling the excess in nervous systems, sugar, blood pressure, and fat. The main aim is to provide a natural shield for the body and a good immune system.

Specific Business Interest

Healthcare and Herbals Marketing.

Atul Shunglu

Assistant Secretary General
Federation of Indian Chambers of Commerce & Industry

Federation House, Tansen Marg
New Delhi-110001
India

T : +91-11-23487302
F : +91-11-23765316
E : atul.shunglu@ficci.com

Company Profile

The Federation of Indian Chambers of Commerce & Industry (FICCI) was set up in 1927 to garner support for India's independence and to further the interests of Indian business. Since then, FICCI has evolved to become a "partner in progress" with the government, representing various regional and local Chambers of Commerce, Trade Association and Industry bodies, speaking directly and indirectly for over 2,50,000 businesses - small, medium and large - employing around 20 million people. It is in the vanguard of nation building, moving ahead to integrate India with the global economy by expanding its services to both the domestic and global business community. Within the country, FICCI has been playing a pivotal role in the formulation of major economic policies. It has encouraged and adopted strategies for greater private sector participation, free markets, exports and foreign direct investment and has contributed significantly to the development of all sectors of the economy.

FICCI has developed a strong international affairs division and has been able to extend its area of operation to all major trade and investment partners of India. It has Joint Business Council (JBC) agreements and commercial alliances with over hundred counterpart chambers worldwide. These include US, Japan, Australia, Korea, Canada, France, Italy, China, Singapore, Malaysia, Spain, Taiwan, Thailand, Israel, South Africa and the Russian Federation amongst others.

Mr. Atul Shunglu has over 20 years corporate experience and has worked for some of the leading companies in India. He has extensive experience in the area of sales and distribution of fast moving consumer goods, commodity trading and new projects. He has a Masters in Business Administration from European University, Antwerp, Belgium. He joined FICCI in 2000 and is presently working as Assistant Secretary General and is In-charge of East Asia, ASEAN and Oceanic Desk in the International Affairs Division of FICCI.

NOTES

About FICCI

Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies. FICCI has contributed to this historical process by encouraging debate, articulating the private sector's views and influencing policy.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry.

FICCI draws its membership from the corporate sector, both private and public, including SMEs and MNCs; FICCI enjoys an indirect membership of over 2,50,000 companies from various regional chambers of commerce.

FICCI provides a platform for sector specific consensus building and networking and as the first port of call for Indian industry and the international business community.

Our Vision : To be the thought leader for industry, its voice for policy change and its guardian for effective implementation.

Our Mission: To carry forward our initiatives in support of rapid, inclusive and sustainable growth that encompass health, education, livelihood, governance and skill development.

To enhance efficiency and global competitiveness of Indian industry and to expand business opportunities both in domestic and foreign markets through a range of specialised services and global linkages.
