ABOUT FOODWORLD INDIA

FOODWORLD India (FWI), organized by FICCI since 2005, serves as a premier platform to convene the food business community and advance sectoral collaboration. Over the years, it has evolved into a credible forum for policy dialogue and industry thought leadership. This annual flagship initiative is steered by the **FICCI Food Processing Committee**.

The one-day conference brings together senior industry leaders, policymakers, start-ups, investors, and academia to deliberate on emerging trends, innovation, technology, research and development, and growth opportunities in India's food processing sector.

KEY HIGHLIGHTS OF 17TH EDITION

- Inaugural Address by **Senior Government Dignitaries** outlining the vision for India's food processing sector.
- **CEOs' Forum** spotlighting industry mega trends, innovation, and growth opportunities.
- Insightful Panel Discussions on policy and emerging sector priorities.
- Launch of the **Knowledge Report** featuring sectoral insights, data-driven analysis, and actionable recommendations for stakeholders across the ecosystem.
- **250+ Distinguished Delegates** representing government, industry, academia, investors, and startups.
- **High-Impact Networking** with leaders across food processing, manufacturing, packaging, technology, nutrition, supply chain, retail, and distribution.
