Nigel Bauer & Associates, UK
(Course Registration No. A 17357)

delivered by
FICCI QUALITY FORUM
5th Course – January 15 - 19, 2013
at
FICCI, NEW DELHI

1. COURSE OBJECTIVE

The aim of the course is to:

- Describe the fundamental purpose of a occupational health and safety management system (OHSMS) as well as the principles, processes and techniques used for the assessment and management of employee safety, occupational health and its prevention.
- Interpret the requirements of OHSAS 18001:2007 in the context of an audit of an organization's OHSMS.
- Explain the role of an auditor to plan, conduct, report and follow up of OHSMS audit in accordance with ISO 19011.

2. WHO SHOULD ATTEND?

The course is suitable for those:

- Who require a detailed knowledge of OH & S auditing process.
- Whose jobs involve OH & S assessment of suppliers and potential suppliers.
- Who are responsible for managing the internal OH & S safety audit function within their organisation.
- Who are involved in preparing their organisation for assessment by customers or certification body for OHSAS
- Who wish to become registered as OHSMS Auditor or Lead Auditor with International Register of Certificated Auditors (IRCA - UK).

3. PREREQUISITE

Prior to commencement of the course, participants are expected to have an understanding of the content & implementation of OHSAS 18001 international standard.

Comments from participants of our ISO Lead Auditor Courses

Reproduced below are some of the answers given by past participants to the question, "What did you enjoy most about the course"?

- ☞ The course and the manner in which it was delivered certainly deserve high grades on the scale. It has gone beyond what I had actually expected before being part of it.
- ☞ The friendly and tension free environment created by the trainers.
- ☞ Calmness of trainers in answering all the queries.
- ☞ The learning that comes with each course is always good but the way it is given is really important. The Course material/learning were very well disseminated and the ease with which I could learn was good. I enjoyed learning.
- ☞ The group activities conducted for assimilation of subject.
- ☞ The structured methodology and experience and expertise level of the faculty.
- ☞ Ample time being given to every clause of the standard.
- ☞ Training material was very clear and sequential methodology was conducive to learning.
- ☞ The Role Play-Audit, Exercises in groups & individual assignments.
- ☞ The deliberations by the Lead Faculty were the best thing. His pace & pitch during the entire course was constant which led to good learning.
- ☞ Good learning and understanding on Standard and also its practical applicability is well understood.
- ☞ Lively presentation, healthy interaction and professional approach.
- ☞ Teaching method was excellent, still can't believe that whole concept can be understood so well in 5 days.
