Some Comments from participants of ISO Training Programs conducted by FICCI

- The course and the manner in which it was delivered certainly deserve high grades on the scale. It has gone beyond what I had actually expected before being part of it.
- The learning that comes with each course is always good but the way it is given is really important. The Course material/learning were very well disseminated and the ease with which I could learn was good. I enjoyed learning.
- I had wonderful experience which is full of knowledge and information which will not only help in my professional life but also personal life.
- Program was very good especially both faculties were extremely good having full knowledge about the concept.
- Through this course, I got more benefit. Before this course my knowledge on quality management and auditing were zero. But now I can say I am having more knowledge.
- The structured methodology and experience and expertise level of the faculty.
- Ample time being given to every clause of the standard.
- Training material was very clear and sequential methodology was conducive to learning.
- The deliberations by the Lead Faculty were the best thing. His pace & pitch during the entire course was constant which led to good learning.
- Lively presentation, healthy interaction and professional approach.
- The course was imparted in a very cordial manner and with full involvement. Shall wait for more opportunities to attend more courses in future.
- The friendly and tension free environment created by the trainers.
- Calmness of trainers in answering all the queries.
