India has fallen far and fast from the runaway growth rates it enjoyed in the first decade of the twenty-first century. The recent election results have demonstrated a nationwide desire to reverse this trend.

Edited by Bibek Debroy, Ashley J. Tellis, and Reece Trevor, *Getting India Back on Track* (Random House India) contains analyses and prescriptions from some of India's most accomplished analysts for how the country can be returned to the path of high, sustained growth and international success.
