Program Schedule

December 6, 2014 Saturday	Departure from India and Arrival in Israel	Comments
	Suggested Flight Details: (Source: http://www.makemytrip.com/)  Turkish Airlines TK 717 — New Delhi (DEL) Terminal:3 06 Dec, 06:55 — to — Istanbul (IST) Terminal:I 06 Dec, 10:35 Class : Economy | Duration : 7hr 10min | Aircraft: Airbus A330-300 Change of Planes — Connection Time : 2hr 5min Turkish Airlines TK 786 — Istanbul (IST) Terminal:I 06 Dec, 12:40 — to — Tel Aviv Yafo (TLV) Terminal:3 06 Dec, 14:40 Class : Economy | Duration : 2hr | Aircraft: 32S	
	Check in Hotel in Tel Aviv: TBD	**Station** Tel Aviv
	Free evening in Tel Aviv	
December 7, 2014 Sunday:	**Opening session – Israel Newtech/ Israel Export Institute** **And B2B Sessions**	**Station** Tel Aviv
08:30	Departure from Hotel	
9:00-10:00	Morning • Introduction and program presentation of the National Agro technology Water and Energy Program – Israel NewTech: www.israelnewtech.gov.il **Mr. Gilad Peled – Head of Agriculture, water and energy** **Ms. Yifat Inbar – India-China Devision – Ministry of Economy** Opening remarks by Israel Newtech/ Israel Export Institute Introductory remarks by a representative of government	
10:00-12.00	Address by **Indo Israel Chamber of Commerce** "**Doing business with Israel**" by expert law firm Theme-Bringing together the know-how, technology, regulatory expertise	

	OR **Seminar by Ener-t** - Case Study: India Theme-Bringing together the know-how, technology, regulatory expertise and securing 100% financing for large-sized and medium-sized Thermal solar fields http:// http://www.enertgroup.com/	
12:00-13:00	Lunch	
13.00 –16.00	Seminar with Matimop Promoting industrial R&D cooperation between Israeli and foreign companies through partner-matching and access to funding. http://www.matimop.org.il/ **And B 2 B sessions** B2B to continue; organized by the Export Institute	
December 8, 2014 Monday:	**Company visits** **Field Visits to: Rotem Industrial Zone and Sde Boker**	**Station** Eilat
8:00	Departure and Check out from Hotel	
09:30-10:30	**HelioFocus** An international Solar thermal company, offering new approach for Utilities, Developers, Power plants owners and Thermo-Chemical industries to gain the outmost of clean and free solar radiation with no special incentives and 3rd party support. http://www.heliofocus.com/	Rotem Industrial Park
10:30-12:00	**Brightsource** BrightSource Energy designs, develops, and deploys solar thermal technology to produce high-value electricity and steam for power, petroleum, and industrial-process markets worldwide. http://www.brightsourceenergy.com/	
12:00 – 13:00	Lunch	
13:00 – 13:45	Drive To Sde Boker	
14:00 – 15:30	**The Ben-Gurion National Solar Energy Center** houses 6 Laboratories, each of which is used for the study of one or more aspect of solar energy conversion. In addition, research in these laboratories forms part of the study program for our graduate	

	students, towards a higher degree in Ben-Gurion University. http://in.bgu.ac.il/en/solar/Pages/default.aspx				
15:30 -17:30	Check in at Hotel in Eilat **Free Time in Eilat**				**Station** Eilat
December 9, 2014 **Tuesday:**	**EILAT-EILOT GREEN ENERGY** **6th International Conference & Exhibition** *Registration fees of $275 for one day participation in this conference, but FICCI is trying to negotiate for a discounted fees for the FICCI delegates* *Please note that alternate programme can be created for those delegates who are not interested in attending this conference*				**Station** Eilat
08:00	Depart from Hotel				
08:30 – 10:00	Plenary – Providing Developing World's Energy Needs – What can be Israel's Role?				
10:00-11:00	Cleantech – Current Challenges and Opportunities		Water and Energy Nexus – Jordan Israeli Joint Project as Use Case		
11:00 – 11:40	Coffee Break at the Exhibition				
11:40 – 12:55	Internet of Things		Energy Storage - The Next Step in Renewable Energy Penetration		
12:55 – 13:55	Smart Cities		The Timna 50MW Solar BID – Q&A	Ministry of Energy Seminar – Environmental Aspects in Energy Environmental Issues – Wind	
13:55-15:25	Lunch and Exhibition				
15:25-16:40	Smart Grid	Biofuels in the Aviation Sector	Renewable Energy as a Solution for Energy Security	Environmental issues – Biomass	
16:40-17:55	Energy Efficiency	Israeli Innovation in Biofuels	Solar – Major Projects and Opportunities in Israel	Environmental Issues – Fracking	
17:55-19:00	Innovation – Smart Grid & Efficiency – Startups Forum and Future	Pumped Storage	Solar PV – New Implementation Trends around the Globe	Environmental issues – Nuclear	

	Trends				
19:00-19:30	The Solar Cocktail and Business Card Swap Hosted by the Renewable Energy Association of Israel (By Invitation)				
19:45	Drive Back to Hotel				
December 10, 2014 Wednesday:	**Field Visit to Arava Vally**				**Station** Eilat
08:30	Depart from Hotel Drive to Kibbutz Ketura				
09:00- 10:15	**Ketura Sun** It is the first commercial solar field in Israel, as well as the first solar field in the Middle East. Ketura Sun covers an area of 80 dunams (8 hectares or 20 acres) on the southern edge of Kibbutz Ketura. http://www.aravapower.com				
10:30 – 11:00	Drive to Kibbutz Samar				
11:00 – 12:15	**AORA Solar** The company's revolutionary solar power generation solution is the most advanced modular solar-hybrid system in the world, allowing uninterrupted, green power 24 hours-a-day to both grid-based and off-grid locations http://aora-solar.com/				
12:30 – 13:30	**Lunch at Eilot**				
13:30 – 15:00	**R&D in Renewable Energy - Capital Nature:** Capital Nature is a leading investment firm focused on funding and accelerating early stage ventures, as well as academic research in the emerging Renewable Energy in Israel. In addition to incubating early stage start-up companies, Capital Nature also funds applied academic research in the area of renewable energy, and operates a test and validation center in the Eilot region. http://capitalnature.com/				
15:00-16:00	Solar Tower at Samar				
16:15	Drive back to Hotel; Follow up meetings if any				
December 11, 2014 Thursday:	**Tourism (Optional) - tour guided is recommended**				**Station** Tel Aviv
08:00	Checking out of Hotel				If required,
