

FICCI Infrastructure Delegation to United States and Canada
September 14-23, 2015

Infrastructure Delegation to United States and Canada

FICCI, in support with partner organizations in United States and Canada is organizing a business delegation of Infrastructure companies to Canada and United States from September 14 - 23, 2015.

- Interactive meetings with US and Canadian Government officials / agencies & policy makers
- B2B meetings with US and Canadian infrastructure developers, financial institutions/ Pension Funds, infrastructure consultants, etc.
- One-on-One-meetings with American and Canadian companies to forge new partnerships
- Business meetings and networking opportunities

Don't miss this tremendous business opportunity.

This delegation will assist Indian companies to interact with leading business, industry and government representatives as well as opportunities to gain timely insights into the possibilities of collaboration.
