

FICCI – PMI BC
One-day Conference on
“PROJECT MANAGEMENT” –
Embrace and Lead Change through Effective Execution of Projects
10:00 – 15:45 Hrs: 2nd May 2018: Taj Vivanta, MG Road, Bengaluru

REPORT

With the business environment experiencing so much change on account of technology, digitalization and globalization, organizations must today learn to become comfortable with change as well and formulate their strategic plans to find new ways to interact with and serve customers more seamlessly. More importantly, the quality of strategy execution will decide the success of the business in today's world.

Organization need to have the right Project Management skills to drive and navigate change in this dynamic environment while ensuring that those changes are strategically aligned to the business goals.

Around 60 entrepreneurs and professionals gathered at the One Day conference on Project Management on 2nd May 2018 at Taj Vivanta, MG Road, Bangalore to advance the conversation around the critical need for Project Management to embrace and lead the Change. The conference was organized by FICCI Karnataka State Council with PMI Bangalore India Chapter as the knowledge partner.

Speakers from diverse background and verticals/industries shared their experiential knowledge and made this conference a very interactive one. Bosch India's **Mr. Jagadeesh V**, VP - New Projects spoke about the opportunity available to businesses to master Project Management Knowledge and gain an edge for customer acquisition and retention. Wipro Technologies's **Mr. Rathinakumar B**, GM - Quality presented the overall view of the need for Project Governance and PM Essentials to go hand in hand, Huawei Technologies India Pvt Ltd's **Mr. Palash Gupta**, Director, Engineering and Head PMCoE highlighted the importance of engaging the Stakeholders throughout the project duration.

At the post lunch session, Karle Infra Pvt Ltd's **Mr. Sankar S**, COO showed how his company benefited from the lead indicators of the performance of the projects at 20% Completion stage itself by following the Advance Project Control techniques and **Lt. Col (Retd) L Shri Harsha**, Secretary & Treasurer, PMI Bangalore India Chapter drew the audience's attention to master people competencies. **Mr. Sachin Sood**, VP- Volunteering from PMI Bangalore India Chapter gave an overview of how the participants and their respective organizations can benefit by going in for globally recognized certifications offered by PMI.
