

Event Name: Stand Up India Clinic
Event Date: 8th February 2019
Place: Agartala, Tripura
FICCI STATE : North East Advisory Council

The first Stand-Up India Clinic was organized by the FICCI NEAC on 8th of February 2019 at the conference Hall of Directorate of Industries & Commerce in Agartala. Under the initiative 30 candidates were provided handholding support to get registered under the project. The beneficiaries were drawn from diverse sectors like food processing, animal husbandry firms, traders, skill development PIAs, IT/ITeS companies, start-ups, and other manufacturing units.

SIDBI officials mentioned that the Agartala program was one of the most successful events across the nation. Mr Anand, GM, SIDBI informed that the Hon'ble Chief Minister who is also looking after the portfolio of Industries & Commerce department was very keen to have the Clinics regularly in the State. A number of start-ups like Levatur Communication Pvt Ltd., Pegasus and Mycofields Technologies Pvt Ltd made presentations on the various issues faced by their companies. Officials from Industries department, NABARD and SIDBI were also present at the meeting.
