About the Seminar

EXPORT CONTROL 2019

17 July, 2019 | FICCI, Federation House, New Delhi

About the Seminar

India has been actively participating in major export control regimes, such as Wassenaar Arrangement, Australia Group and MTCR, and has evolved a strong and robust export control system, enabling and encouraging export of sensitive and dual use goods and technologies.

The National Conference on Export Control 2019 will bring the Government, Industry and important international export controls partners, such as the United States and the European Union, on a common platform to deliberate on new developments and best practices in the area of export controls.

Who should Participate

Compliance personnel, Legal counsels, business development managers, Trade specialists, CEOs, CFOs, CIOs of companies engaged in:

- Defence and Aerospace
- Nuclear Energy
- Life science
- Biotech
- Speciality Chemicals
- Electronics
- Software
- Logistics

Sessions

- SCOMET Licensing Process and Procedures Panel on Multilateral Export Control Regimes & its importance for Indian Industry
- Panel discussion on Multilateral Export Control Regimes & its importance for the Indian Industry
