The Indian Tourism Sector just before the onset of the deadly COVID -19 pandemic situation, was promising and had gained enough momentum over the past few years. The ongoing COVID-19 pandemic has impacted the Travel & Tourism market across different levels. Millions of job losses are expected due to this impact. The outlook as on date is very bleak for the peak season of October 2020 - March 2021. The panel of experts will discuss the impact , survival and strategies to weather the storm and economic revival for the Travel & tourism Industry.
