

OD Certification Program for HR Professionals

Target Audience: HRBP, L&D Managers and OD practitioners with about 6-12 years experience

Launch 11 September 2020, (Classes only on Friday)

Organizations are grappling with change at a scale not seen in many decades. This has impacted organizational strategies, structure and culture in a big way. There's a need for HR to support this change in it's role as a "Strategic Adviser" & "Change Agent".

Our OD Program helps you understand the practical challenges in implementing change. It bridges the gap between OD theory and practice, helping participants transition the gap between knowledge and application. It provides usable tools and templates that can be applied back at work.

Group Discounts:
15% discount on 2 or more nominations

Early Bird Offer
10% discount on registration before 15th August

BENEFITS

- Learn the practical application of OD theories, tools and methodologies
- Apply learning's to a live project
- Follow up group coaching for support
- "Learn and Do" model run over 6 weeks for learning effectiveness
- Templates for post workshop application
