

ESG Summit

FUTURE FORWARD: INDIA'S GREEN ECONOMY AND BEYOND

Friday, January 31, 2025

The Lalit, Mumbai

PROGRAM

1000 - 1100 hrs	Inaugural Session
	Welcome Address by FICCI Inaugural Address by Mr Amarjeet Singh, Whole-Time Member, Securities and Exchange Board of India (SEBI) Concluding Remarks by FICCI
1100 - 1130 hrs	Tea Break
1130 - 1230 hrs	Plenary Session I ESG as an accelerator for business growth <i>The Session would focus on how mainstreaming ESG principles can save costs, reduce waste and enhance green footprint and also lead to social upliftment (in alignment with Sustainable Development Goals), while generating long term value. The Session will also explore how India Inc. is stepping up to embrace the green challenge, transforming ESG ambitions into actionable strategies that drive growth, resilience and competitiveness.</i>
1230 - 1330 hrs	Plenary Session II India Inc: Advancing the ESG Agenda through Innovative Strategies <i>The session will explore transformative approaches that drive the vision for a sustainable future, emphasizing the importance of innovation in creating scalable and impactful ESG outcomes. Discussions will also be geared towards how cutting-edge technologies can mitigate climate change and a deeper understanding of Government incentives and initiatives that can draw investments.</i>
1330 - 1415 hrs	Lunch
1415 - 1515 hrs	Plenary Session III Future Forward: India's Green Economy and Beyond <i>The session will draw the vision for India's transition towards a sustainable, environmentally friendly economic model, while also exploring opportunities for global leadership. It will also highlight India Inc.'s commitment to integrating ESG principles across operations and supply chains, aligning growth with long-term value creation and attracting capital from foreign and domestic investors in the process.</i>
1515 - 1600 hrs	Fireside Chat
1600 hrs	Conference ends with Networking High Tea
