Head - Product Portfolio Operations  
Here Technologies

**Dr. Dnyaneshwar Shelke**  
COO  
BVG India Ltd. for (MEMS)

**Mr. Alvin Lee**  
Head of Government Relations, Asia Pacific  
Here Technologies

### Discussion Points

- How city planners use location intelligence in designing public safety infrastructure and emergency awareness systems
- How to address challenges faced by frontline workers (law enforcement officers, medical personnel, fire service officials etc.) while dealing with emergency situations
- Taking pre-emptive measures to avoid potential threats
- Success stories from across Asia
