FICCI in association with Department for Promotion of Industry & Internal Trade (DPIIT) is organizing the second edition of Public Procurement webinar 4PM onwards on 22nd April 2021.

The first edition was held in February 2020 which was very well received by the stakeholders where more than 200 representatives participated in discussions. The second edition is being organized in view of the various amendments brought out in Public Procurement Order (PPO) of Government of India to promote domestic manufacturing and value addition in the country. The webinar aims to address the issues concerning various Departments, sectors with regard to the implementation of the Order. Various panel discussions are being organized in the webinar to discuss procurement issues with regard to the Order concerning several Departments.
