

1st FICCI Industry 4.0 Awards

About the Awards

Last Date: 30th June 2021

- This is the first edition of FICCI Industry 4.0 Awards for Industry. It will provide a platform to the Industry for showcasing the successful digital transformation use cases. These are country's first of its kind Industry 4.0 awards. **Applications are invited from organizations from all sectors Manufacturing (inclusive of oil & gas) as well as mining, construction, power and Services which are ahead on the path of digital transformation and would like to show case their achievements.**
- FICCI I4.0 Awards will be presented to units and firms for the recognition of their commitment towards digital journey of their projects/ workplace. The purpose of the awards is to benchmark successful digital practices along with robustness of the digital systems to enable domestic industry and MSMEs to stand up to emerging global challenges in the area of Industry 4.0.
- Assessment process will be led by a team of domain experts

Instructions

- The application for the award is for a single unit (site specific in case of large organization and Project specific under different categories).
- Multiple units/sites of a single organization are eligible to apply for Awards.
- The Awards are given in two major categories with six sub-categories differently for below mentioned organizations:
 - **Large Sized Organization** (Organization having either turnover or investment excluding working capital of more than Rs 500 crore)
