

Sustainable Agriculture Awards

India Beyond @75

ABOUT

FICCI is launching the "Sustainable Agriculture Award" with the objective of recognizing and showcasing programs that promote sustainable agriculture development. The framework for awards is extensively designed to collect responses across multiple parameters related to sustainability and identify the best sustainable agriculture development programs across two broad categories.

AWARDS

CATEGORY 1

Award for Outstanding "Sustainable Farmer Income Enhancement Program"

CATEGORY 2

Award for Outstanding "Sustainable Agriculture Development Program"

- 1 Award for Soil and water resource conservation
- 2 Award for Climate resilient agriculture development
- 3 Award for Innovative Product/technology/ services promoting sustainable agriculture development
