4th Rajasthan IoT Summit

Building a Smart, Secure & Connected Ecosystem

0930 hrs: 26 August 2022: Hotel Royal Orchid, Durgapura, Tonk Road, Jaipur

Draft Programme

0930 – 1000 hrs **Registration / Tea-Coffee**

1000 – 1130 hrs **Inaugural Session**

Our journey through the pandemic has reaffirmed the faith in technology and its accelerated adoption changing our lives like never before. Businesses and service providers have been looking at IoT as a key enabler to drive digital transformation and to unlock the operational efficiencies. Advances in Artificial Intelligence coupled with improved connectivity, and real-time communication are enabling exponential growth in efficiencies generated by IoT. India is already matching the pace and at times leapfrogging in adapting new technologies like IoT, 5G, AI and cloud to drive new business models. The start-ups are also using these technologies to create new and innovative business models. Rajasthan is a leading state in leveraging technology for governance and service delivery.

1130 – 1200 hrs **Tea / Coffee**
