

FICCI PLANT MAINTENANCE SYSTEMS EXCELLENCE AWARDS FOR INDUSTRY

**LAST DATE
20th OCTOBER 2022**

About the Awards

- This is the first edition of FICCI Plant Maintenance Systems Excellence Awards.
- FICCI Plant Maintenance Systems Excellence Awards will be presented to units and firms for recognition of their commitment towards maintenance systems at the workplace. The purpose of the awards is to benchmark best maintenance practices along with robustness of the system to enable domestic industry to stand up to emerging global challenges.
- Awards focus on recognizing good maintenance systems in organizations/units in the following sectors:
 - Construction
 - Manufacturing (including oil & gas)
 - Mining
 - Power Generation

Instructions

1. The application for the award is for a single unit (site specific in case of construction and mining).
2. Multiple units/sites of a single organization are eligible to apply for Awards.
3. The Awards are given in three categories in the four sectors mentioned below:
 - Large Sized Organization (Organization having either turnover or investment excluding working capital of more than Rs 500 crore)
 - Medium Sized Organization (Organization having either turnover or investment excluding working capital between Rs 100 crore to Rs 500 crore.)
 - Small Scale Organization (Organization having turnover & investment excluding working capital, both less than Rs 100 crore)
4. For the award, category size of the parent organization is considered and not of the unit.

Three-stage evaluation process

- Application evaluation
- On site Assessment for qualifying units (Please note that plant audit expenses of auditors related to traveling and accommodation will be borne by the qualifying unit. Also, each audited unit need to pay an additional fee of Rs 11,800 /- per man day (inclusive of all taxes) to FICCI as the auditor fee for the on-site assessment of its unit)
- Jury Selection by the presentation of Qualifying sites after on-site assessment
