FICCI's LEARNING MISSION ON MANUFACTURING EXCELLENCE

26th September 2022, Chennai

FICCI Tamil Nadu State Council organized a **Learning Mission on Manufacturing Excellence** held on **26th September 2022** in **Chennai**. The Mission included visits to **Hyundai Motor India Limited (HMIL)** and **Daimler India Commercial Vehicles Pvt. Ltd**

The objective of the mission was to gain first-hand information and knowledge on Best Manufacturing Practices followed by the Industry Leaders. The visit comprised of the Plant Visit, Presentation Highlighting the Best Practices followed by the Company and Interaction with Officials from the Organization. The participants got an insight into the practical aspects of implementing these practices across different sectors. The visit to these factories provided an opportunity to benchmark with the doers and during this visit, it was understood that these companies have a strong sense to adopt the latest technical innovation and are having a glance over worldwide vogue in Automobile industry and are giving full fledged dedicated services to their clients. They have marked a position for their commitment and responsiveness to customer's satisfaction. Their success is attributed to the way they function and how they work in close relation to their principles. We observed during our visit that they manage to optimize the various processes in a way which improves efficiency and reduces errors.
