

FICCI Manufacturing Excellence Industrial Visit to Honda Factory - 2023

About The Mission

FICCI Manufacturing Excellence Mission has been created to provide opportunity to the industry to learn about best practices that lead to better systems for improving organization's performance through **good practices in operations, supply chain and quality**. The objective is to spread these good practices to the greatest extent possible within the industry and to **achieve higher standards for Indian manufacturing**.

In this regard an industrial delegation visit to **Honda Motorcycle and Scooter India Pvt. Ltd. (HMSI), Manser Plant**, Haryana is being planned on **31st January' 2023**.

Honda Motorcycle & Scooter India Pvt. Ltd. (HMSI) Is **2nd largest two-wheeler manufacturer** of India producing Scooters and Motorcycles. HMSI has state of the art manufacturing facilities with highest level of Quality systems and latest technology with all Global level Infrastructure.

Honda Manesar Plant, Gurugram, Haryana
