

Retailers Training Programme (RTP) on April 12, 2023 at Hotel Lake View, Bilaspur, Himachal Pradesh

As per the mandate of Bureau of Energy Efficiency (BEE), Ministry of Power, Government of Himachal Pradesh organised One Day Retailers Training Programme (RTP) on April 12, 2023 at Hotel Lake View, Bilaspur which was attended by more than 50 participants from Retailers/Shops/Showrooms of Electrical and Electronics Appliances which was executed with the assistance of Federation of Indian Chambers of Commerce & Industry (FICCI) on April 12, 2023 at Bilaspur.

The training programme was inaugurated by Shri Pankaj Sharma, Superintending Engineer, DISCOM, Bilaspur who stressed on the Energy Saving Potential through usage of Star Labelled Energy Efficient Appliances by all consumers and how retailers could make their clients or users aware of the Star Labelling and promote usage of these appliances. The programme also gave training on the regulatory requirements to be followed by retailers for star rated appliances.

The theme address was given by Er. Manoj Kumar, Chief Engineer, SDA, Directorate of Energy, Government of Himachal Pradesh. He spoke of the global scenario and the developments which are occurring towards energy conservation and energy efficiency. He also informed all participants about the State Designated Agency (SDA) role in promoting Standards & Labelling (S&L) Programme of Bureau of Energy Efficiency (BEE) in the State of HP.

Mr. Rashim Mahajan, Secretary, Vyapaar Mandal, Bilaspur and Mr. Sunil Kumar, Principal, ITI Bilaspur were also present during the Inaugural session..

The technical sessions were organised on "Know Your Label and Make Right Choice", Awareness on Mobile App for S&L, Enforcement Details for Star Labelling etc. A quiz was also organised to assess the learning of the retailers after the programme.

All participants were given participation certificates at the end of the programme.
