

G20 Empower - Skilling the Shakti

Date: 26th July 2023 | Venue: FICCI (PHYSICAL) | FICCI Skill Development Division

The FICCI Skill Development Division organised a focused panel discussion on the theme, “Skilling the Shakti” under G20 EMPOWER on 26th July at FICCI, New Delhi. The objective of the session was to listen to the inspiring stories of some of the exceptional women of the current times who have created their own space in the professional world as an employee or entrepreneurs. The speakers talked about their journey, the challenges, breakthroughs, what went right and how, and the role of mentors and advice to young and aspiring women workforce. The speakers also shared their views on how the women workforce could be better prepared for future work and have greater representation in the economic growth of the country.

Mr Sanjay Shivnani, Co-Chair – FICCI Skill Development Committee and Corporate HR – Technical Training & HTU - Hindalco Industries Ltd emphasized the need for skilling and unleashing the power of the women workforce. Also, he shared statistics from G20 countries related to women's representation and contribution to GDP. The other speakers include Mr J. D. Giri – Director, Shahi Exports Pvt Ltd., Ms Bhavya Sharma, Director - Communications & ESG, Urban Company, Ms Sadhika Kumar, Co-founder and COO at Lynkit Solutions, Winner of the National Startup Award '22 and Times 40 under 40, Ms Punita Gupta, Owner, Prahim Investments, National MSME Award Winner and Ms Souniya Khurana, Co-Founder & CEO, WYN Studio highlighted key learning from their experiences which motivated the primarily female participants from various colleges and working professionals.
