

RAJASTHAN: GAS-BASED INDUSTRIES

CONFERENCE ON ADVANTAGES & OPPORTUNITIES

3 AUG 2023 ■ JAIPUR

BACKGROUND

Rajasthan holds the distinction of being the largest and one of the most economically vibrant states in the country. It holds 2nd rank in the country in attracting corporate investment.

As per the advance estimates, the nominal GSDP for Rajasthan at Current Prices for the year 2022-23 is likely to attain a level of Rs. 14.14 lakh crore, as against Rs. 12.18 lakh crore in the year 2021-22 showing a growth of 16.04 % in the year 2022-23.

With world-class infrastructure, hassle free & streamlined approval procedures and a robust policy framework covering the entire gamut of economic landscape; Rajasthan has further strengthened its position as the front runner State in industrial development activities in the country.

A key leveraging factor that is fueling the industrial growth in Rajasthan is availability of a widely spread infrastructure for supply of Natural Gas across the entire State, in all districts. Natural Gas being a clean, efficient and non-polluting fuel, operating industries in Rajasthan would be comparatively more economical. Energy intensive industrial sectors such as Ceramics & Glass, Textiles, Petrochemicals, Steel, Fertilizer, Pharmaceuticals, Automotive, Food processing & Dairy and Cement among others will gain much. Natural Gas will also alleviate the need for storages of fuel as well save on transportation and logistics cost associated with other fuel.

CONFERENCE

Under this backdrop and to disseminate information on potential and opportunities for gas based industries in Rajasthan, Rajasthan State Industrial Development & Investment Corporation Limited (RIICO) and Federation of Indian Chambers of Commerce & Industry (FICCI) are jointly organizing "Conference on advantages & opportunities for Gas based Industries in Rajasthan" from 9:30 am to 4:00 pm on 3rd August 2023 at Hotel ITC Rajaputana, Jaipur.

The Conference will feature presentations and briefings on:

- Gas Infrastructure in Rajasthan – existing, upcoming and future plans.
 - Carrier gas pipelines by GAIL and GIGL.
 - Pipelines and LNG stations by City Gas Distribution companies.
- Land availability in RIICO industrial areas in the buffer zone of Carrier gas pipelines and across the State, land allotment procedure etc.
- Incentives to industries in Rajasthan across various industrial sectors, under Rajasthan Investment Promotion Scheme 2022 (RIPS 2022).
- One to one meetings with –
 - RIICO on land options and project related queries.
 - Natural gas suppliers attending the conference.

ADVANTAGE RAJASTHAN

LOCATION ADVANTAGE

- 25% of the total National Capital Region (NCR), one of India's leading economic magnets, in Rajasthan.
- Rajasthan has easy access, catering to nearly 40% market of the country by population.

CONNECTIVITY ADVANTAGE

- Enviale network of road, rail and air transport.

RESOURCE ADVANTAGE

- Rajasthan is the richest state in terms of availability and variety of minerals in the country.
- Rajasthan is richly endowed with a wide variety of crops and in animal husbandry.
- Ecosystem for energy intensive industrial sectors already in place.

GAS GRID ADVANTAGE

- 2 Carrier gas pipelines of GAIL and GIGL supply Natural Gas to individual bulk consumers as well City Gas Distributors in various districts.
- All districts of Rajasthan covered by City Gas Distribution Authorizations issued to 14 companies.

INDUSTRIAL LAND ADVANTAGE

- 400+ industrial areas of RIICO across Rajasthan, of which a large number of industrial areas along/in vicinity of gas pipelines of GAIL and GIGL.

- Many new industrial areas coming up in proximity to Natural Gas pipelines.

MANPOWER ADVANTAGE

- A dense network of Engineering Colleges, Polytechnics and ITIs in the State.

POLICY ADVANTAGE

- For establishment and operation of MSMEs, exemptions from approvals and inspections under all state laws for 5 years from the date of issuance of Acknowledgement Certificate.
- “One Stop Shop” facility in Rajasthan facilitates investment proposals above Rs. 10 crore.
- Rajasthan Investment Promotion Scheme 2022, one of the best investment schemes in the country.
- Mukhyamantri Laghu Udyog Protsahan Yojna.
- Many more policies covering the entire gamut of economic landscape.

ABOUT ORGANIZERS

Rajasthan State Industrial Development & Investment Corporation Ltd. (RIICO), an undertaking of the Government of Rajasthan, is the apex industrial development organization of Rajasthan. RIICO develops industrial areas, provides term loan assistance to projects in Rajasthan and extends project facilitation assistance to enterprises.

RIICO has so far developed 400+ industrial areas across Rajasthan and many new industrial areas are on the anvil. Term loan assistance of over Rs. 2800 crores provided by RIICO has catalyzed investment of more than Rs. 9700 crores.

RIICO has also developed many sector specific industrial parks /zones. Some of the recent key initiatives at RIICO include Rajasthan Petro Zone, Pachpadra (Barmer); Fintech Park, Jaipur; Medical Devices Park, Jodhpur; EV Zone/Sports Goods & Toys Zone/ Electronic Manufacturing Cluster in Bhiwadi region; Plug & Play Facility Centres in Jaipur, Jodhpur and Bhiwadi region.

Established in 1927, Federation of Indian Chambers of Commerce & Industry (FICCI) is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry. It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies.

FICCI provides a platform for networking and consensus building within and across sectors and is the first port of call for Indian industry, policy makers and the international business community.
