About

Though the revised Standard, ISO/IEC 17025:2017 does not specify a position of Quality Manager, a laboratory holding or seeking accreditation is required to have personnel who, inter-alia, shall implement, maintain, and improve the management system, and shall report to laboratory management on the performance of the management system and ensure the effectiveness of laboratory activities. So, it is essential that the designated personnel, however named, should be well versed with all the requirements of ISO/IEC 17025:2017 version.
