

10th FICCI AWARDS FOR EXCELLENCE IN QUALITY SYSTEMS

Last date for submitting Application is 20th December 2023

About Awards

After successful completion of the 9th edition of FICCI Awards for Excellence in Quality Systems, we are now inviting applications for the tenth edition of these awards. FICCI awards for Excellence in Quality Systems are presented to firms and companies for the recognition of their commitment to quality systems at workplace and putting in place good quality systems in the organization. The purpose of this award scheme is to recognize organizations that have high performance quality system leading to a systematic improvement in organizational performance thereby making them globally competitive. Awards' focus is on recognizing robust quality systems in the industry.

The scope of the awards covers the Manufacturing (including oil & gas), Construction & Infrastructure, Mining and Power (including transmission, distribution and generation) sectors.

The evaluation is a three-stage process as mentioned below:

- Application evaluation
- Site Assessment for qualifying units after application evaluation (Please see application form for more details related to process and fees of audit).
- Jury presentation of qualifying unit after the audit.

Application fee for the Awards in three categories is as follows:
