6-7th September

The Ashok Hotel, New Delhi, India

PIVOTAL AREAS

ABOUT TECHNICAL TEXTILES

Technical Textiles have seen an upward trend globally in the recent years due to improving economic conditions. Technological advancements increase in end-use applications, cost-effectiveness, durability, user-friendliness, and eco-friendliness of Technical Textiles has led to the upsurge of its demand in the global market. Indutech, Mobiltech, Packtech, Buildtech and Homotech together represent 50% of the global market in value. The Global Technical Textiles Market is pegged at USD 260 Billion in the year 2020 and is expected to grow up to USD 318 Bn by 2025, at a CAGR of 4% from 2020-25.

ABOUT EVENT

Viksit Bharat- Technical Textiles for Sustainable Growth & Development is an exhibition and conference taking place under the aegis of NTTM, Ministry of Textiles, jointly with Federation of India Chambers of Commerce (FICCI) and Indian Technical Textile Association (ITTA) which aims to bring together the notable dignitaries such as Government Officials, International Delegates, Institution buyers and investors and other doyens of the sector to discuss the potential for growth of Technical Textiles in the country.

OBJECTIVES

- Make India a manufacturing hub in the area of Technical Textiles under the "Make in India" initiative by the government of India.
- Project the latest technological developments in Technical Textiles.
- Attract Investments.
- Promote Pradhan Mantri Mega Industrial Textile Region and Apparel (MITRA) and Production Linked Incentives.
- Showcase the latest products, machinery, and equipment. Highlight recent industry developments. Focus on attracting new business opportunities.
