

11TH FICCI AWARDS FOR EXCELLENCE IN SAFETY SYSTEMS

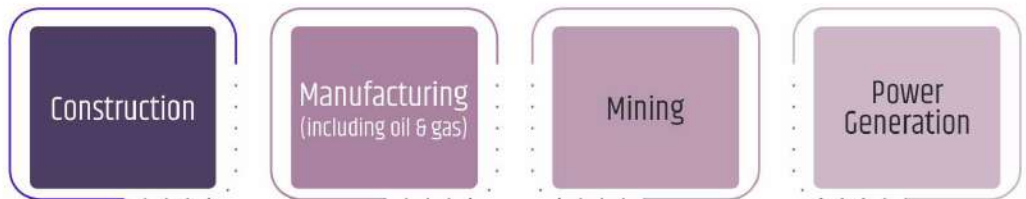

About the Awards

- » Launch of the eleventh edition of the Awards after successfully completing ten editions
- » Awards are presented to units and firms for recognition of their commitment to safety systems at the workplace.
- » The purpose is to benchmark best safety practices along with robustness of the system to enable industry to stand up to emerging global challenges in the area of workplace safety.

Three Stage Evaluation Process

- » Application evaluation
- » On site Assessment for qualifying units (Please note that plant audit expenses of auditors related to traveling and accommodation will be borne by the qualifying unit. Also, each audited unit need to pay an additional fee of Rs 13,000/- per man day (inclusive of all taxes) to FICCI as the auditor fee for the on-site assessment of its unit)
- » Jury Selection by the presentation of Qualifying sites after on-site assessment

Focus Sectors

Guidelines

1. Application for the award is for a single unit (site specific in case of construction and mining).
2. Multiple units/sites of a single organization are eligible to apply for Awards.
3. Awards are given in three categories as mentioned below:

- » Large Sized Organization (Organization having either turnover or investment excluding working capital of more than Rs 500 crore)
- » Medium Sized Organization (Organization having either turnover or investment excluding working capital between Rs 100 crore to Rs 500 crore.
- » Small Scale Organization (Organization having turnover & investment excluding working capital, both less than Rs 100 crore)

Note: If either turnover or investment excluding working capital is less than Rs 500 crore and the applicant unit is owned by large organization through the extent of 75% and guided by the systems of large organization, then the applicant unit will be treated as large size organization

4. For the award category, size of the parent organization is considered and not of the unit.
