7th Edition of FICCI Road Safety Awards & Symposium 2025

Vision Zero: Life First, Always

4th September 2025 (1030 hrs – 1500 hrs) | Federation House, New Delhi

Agenda

0930 hrs – 1015 hrs	**Registration**			
Experience Zone/Activities *(throughout the day)*				
1. The Pledge Wall *"My promise to the road"*	**2. Road Safety Innovation Showcase** *"Interacting with tech"*	**3. Road Safety Quiz** *"Testing for life"*	**4. Reflective zone** *"Letters from the road, then & now"*	
1030 hrs – 1115 hrs	***Special Session 1:*** "Grip on Speed: *Critical Role of Tyres in Road Safety*" • Current tyre safety standards and regulations • Advancement & innovation in smart tyre technology like sensors, wear indicators • Impact of tyre quality, inflation, braking & control, integration with vehicle systems • Current enforcement mechanisms for compliance			
1115 hrs – 1125 hrs	***Nukkad Natak* on Road Safety Awareness (Hindi street play by students of Bal Bharati Public School, GRH Marg)**			
1125 hrs – 1130 hrs	***Session changeover***			

1130 hrs – 1215 hrs	***Industry Dialogue 1:*** "Safer Roads Through AI & Innovation: *Powering Mobility, Infrastructure & Logistics*" • Analytics for accident hotspots, blind spot detection, integration of ADAS into vehicles • ANPR, speed violation detection, real-time IOT monitoring • Driver behaviour analytics and telematics: Fatigue detection, fleet safety management for logistics operators • AI-powered cameras and sensors, monitoring unsafe driving, detecting gas leaks, and enabling automatic shut-off • Integrating AI into urban design, multimodal mobility, and highway blackspot rectification • V2V, V2I mobility systems for collision prevention • Freight and logistics safety, predictive maintenance, safer last-mile integration, and automated logistics audits • AI-led emergency response system, real-time traffic rerouting • Collaborative ecosystem: Enabling cross-sector partnerships among AI startups, OEMs, logistics firms, and policymakers	***Special Session 2:*** ***NGO Roundtable*** "Community Champions for Safer Roads" (Grassroot NGOs deliberate on what's working at the community level) • Scaling NGO-government partnerships for enforcement & better road safety models • Driving behavioural change with campaigns and policy interventions • Training communities for first response & grassroot safety • Engaging citizens and reclaiming streets for safer urban mobility • Strengthening community-based first-aid and post-crash response systems • Mobilising CSR and volunteers for impactful safety awareness • Protecting vulnerable road users through targeted interventions • Building inclusive road safety for persons with disabilities • Driving rural road safety campaigns with community participation • Linking grassroots innovations with national road safety policies
1215 hrs – 1300 hrs	***Industry Dialogue 2:*** "Role of Corporates & Establishments in Road Safety" • Road safety at work: Making road safety a legal obligation for organisations • Keeping safety-focussed environment through employee awareness & incentives • Safe vehicles: Ensuring company vehicles meet safety standards, regular audits • Investment in CSR initiatives, community outreach	***Special Session 3:*** "Wreck on the Highway – Safe System Approach to Address Truck Accidents & Timely Emergency Care" *(In Association with AITWA & WHO CCET)* • Fatigue management: Optimising risk mitigation strategies, drivers' rest schedules • Crash investigation and timely remedies • De-burdening trucks, enhancing Advanced Driver-Assistance Systems (ADAS) in trucks

	• Re-enforcing driver monitoring, emergency protocols by corporates; simulation training • Encouraging accountability for safe practices	• Understanding the 'golden hour': Focussing on first responder training for non-medical bystanders • Cure & care: Identifying roadblocks for timely transfer of victims
1300 hrs – 1345 hrs	**Networking Lunch**	
1345 hrs – 1445 hrs	**Keynote Address & Awards Ceremony**
