19th REAL ESTATE SUMMIT

Accelerating India's Real Estate Growth Engine

7th May 2026

FICCI Federation House, New Delhi

Key Discussion Areas

- **Residential Market Trends**: Increasing demand for housing across metros and emerging cities.
- **Policy & Finance Framework**: Role of RERA, housing finance, interest rates, and government policies in supporting affordable, mid-income, and rental housing.
- **Office Market Trends**: Strong office space demand, changing occupier needs, and growing GCC-led leasing boosting India's global position.
- **Infrastructure & Development Outlook**: Regulatory and infrastructure support for commercial hubs, warehousing, data centres, and the growth of mixed-use developments.
- **Capital Markets & Investment**: Increasing investments through REITs, SMREITs, AIFs, and rising IPOs improving access to market-based funding.
- **Innovative & Sustainable Construction:** Adoption of technologies like self-healing concrete, 3D printing, BIM, AI, IoT, and digital twins, along with supportive policies and cost-effective materials.

Stakeholders

- Real estate developers (residential, commercial & mixed-use)
