Odisha Pharma Summit 2025

16 December 2025; Bhubaneswar

Government of Odisha with FICCI as the Industry Partner organised the Odisha Pharma Summit on 16 December 2025 at Bhubaneswar.

Addressing the gathering, Hon'ble Chief Minister, Shri Mohan Charan Majhi said Odisha is poised to emerge as a major pharmaceutical hub in eastern India, with an emphasis on producing high-quality medicines and medical devices for improved healthcare and treatment outcomes. He said the state government is committed to making Odisha the first choice for investors by creating a robust, industry-friendly ecosystem while simultaneously promoting non-traditional sectors.

Hon'ble Minister of State for Industries, Skill Development & Technical Education, Shri Sampad Chandra Swain, Additional Chief Secretary of the Industries and Information & Public Relations Department Mr Hemant Sharma delivered the welcome address, while Health Department Commissioner-cum-Secretary Ashwathy S proposed the vote of thanks. Chief Secretary Mr Manoj Ahuja and Development Commissioner Ms Anu Garg also addressed the gathering.

Of the Rs 7,043 crore investment proposals, Rs 6,263 crore are firm commitments for which MoUs were signed, with an estimated employment generation potential of 38,406 jobs. Additionally, 24 investment intents worth Rs 780 crore are expected to create 6,240 jobs. The MoUs include 32 in pharmaceuticals (Rs 2,681 crore), 12 in medical technology and devices (Rs 582 crore), and one for an industrial park (Rs 3,000 crore). The CM also unveiled two new industrial parks — a pharmaceutical park in Khurda - Nayagarh and a medical device manufacturing park at Khurda.
