12th EDITION OF FICCI CMSME SUMMIT 2026

Scaling MSMEs, Enabling Growth, Building the Future

25 November 2026 | Federation House, FICCI, New Delhi

Introduction:

India's 7.9 crore MSMEs are a key driver of economic growth, contributing 31.1% to GDP and 48.58% to exports. With expanding global trade opportunities, including nine FTAs signed in the past six years, and enabling initiatives such as the ₹10,000 crore SME Growth Fund and the ₹25,060 crore Export Promotion Mission, the sector is poised for significant transformation.

The 12th FICCI-CMSME Summit, themed "Scaling MSMEs, Enabling Growth, Building the Future," will bring together policymakers, industry leaders, financial institutions and global buyers to explore pathways for enhancing access to finance, technology and markets, strengthening global competitiveness and enabling MSMEs to scale into resilient, future-ready enterprises.
