Subject: Advisory for payments of salaries/wages to the employees/labours to Industries and establishments

As lockdown has been imposed by the Government of India as well as State Government, all industrial establishments/Workshops are closed except those types of establishments/units which are falling under exception category provided in Order No. 40-3/2020-D dated 24.03.2020 issued by the Ministry of Home Affairs, Govt. of India and also in Order No. F.33(2)/Home/Gr-9/2019 dated 26.03.2020.

During the lockdown period, it has been observed that on one hand labour/staff working in these industrial establishments are demanding their wage/ salary from their respective establishment/units to fulfill their daily requirements. On the other hand, such establishments/units are also willing to disburse the wage/salary to their labour/staff as the month is ending but they are facing difficulties on account of lockdown and are requesting for movement passes.

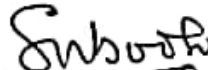

In the recent order dated 29th March 2020 issued by the Home Department, Govt. of India, directions have been issued to all the State/ UT Governments and State /UT Authorities to take measures that all the employers, be it in the industry or in the shops and commercial establishments, shall make payment of wages of their workers, at their work

Under these circumstances, all the industrial and commercial establishment in your respective jurisdiction be advised to transfer wages/salaries to their staff bank accounts either through Direct Benefit Transfer (DBT) or using other online modes for fund transfer such as NEFT, RTGS etc without any deduction for the period their establishments are under closure during the lockdown period in accordance with the above cited directives issued by Govt. of India. The employees/labours in turn can use online means for payment and in cases of urgent requirement can withdraw money from the nearest ATMs.

In exceptional cases, where salary/wage transfer are not possible through online means, movement passes can be issued to the concerned staff who is discharging duty of releasing salary/wage of the respective industrial establishment/unit in a staggered manner for limited period (Time duration and Place to be specified in such passes) to ensure hassle free distribution of salary/wage and also to adhere the objective of the lockdown.
