Ref: SECI/PT/COVID19/INVOICING/DISCOMs

Date: March 28, 2020

To

As per list enclosed

Sub: Request for accepting invoices vide email in view of global pandemic, COVID-19

- Ref: 1) Ministry of Home Affairs order no. 40-3/2020-DM-I-(A) dated 24.03.2020 and its subsequent addendum
2) National Disaster Management Authority order no. 1-29/2020-PP (Pt. II) dated 24.03.2020

Sir/Madam,

With reference to above, it is submitted that whole nation is aware about COVID-19 outbreak which has created an unprecedented situation for business as well as consumers all over the nation and put everything on hold for the time being. Government of India and National Disaster Management Authority vide its above said orders in Ref. (1&2) has ordered a complete lockdown for 21 days i.e till 14.04.2020 with an intention to stop spreading the virus across the surroundings. Viewing the aforesaid orders, majority of states are taking strict action in non-essential movement under Epidemic Disease Act-1897.

It is a matter of appreciation that considering electricity as required essential service, Renewable Energy Projects even through this hard time are working in full swing despite the implied restrictions. Further, keeping in mind the recoveries of Distribution Companies, Hon'ble Power Minister has issued directions to Hon'ble Central Electricity Regulatory Commission (copy enclosed as Annexure-A) to provide a moratorium of three

(03) months to DISCOMs to make payments to Generating Companies and Transmission Licensees.

In such anomalous situation, SECI being a responsible organization, has taken initiative to protect and safeguard the health and well-being of its employees against COVID-19 and is encouraging its employees to work from home. In this process, SECI's office is closed till Lock Down period and due to which it is not viable for power developers to submit the energy invoices in SECI's office and similarly SECI cannot raise the hard copy of invoice to its Buying Utilities. Also, SECI being a trading agency and income limited to Trading Margin only cannot pay the invoice payments without raising it to Buying Utilities even though the generated energy has been consumed by the Buying Utility.

In view of this, it is requested to allow submission of invoices digitally through e-mail so that guidelines issued by Government of India for non-essential movement be adhered and SECI may also make it feasible to release the payment of Developers to make their projects sustainable.

Prompt action in this regard will be highly appreciated.

Thanking you,

Yours sincerely,

For Solar Energy Corporation of India Ltd.

(C.Kannan)
