

**OFFICE MEMORANDUM**

**Sub: Clarification reg. payment to Renewable Energy Generating Stations (REGS) during the moratorium provided to DISCOMs by Ministry of Power (MoP)**

1. The Ministry of Power has recently issued instructions providing for a moratorium period to DISCOMs for making payments to electricity generating companies, in the wake of COVID-19.

2. Since then, this Ministry has received representations from Renewable Energy (RE) industry that certain State DISCOMs, citing the said order of Ministry of Power, as mentioned in para (1) above, have started curtailing RE power in some states partially and others completely terming prevailing situation as Force Majeure condition.

3. The matter has been examined in detail and in this regard, following clarifications are issued:

**(a). Must-Run Status to RE Projects:**

Renewable Energy (RE) Generating Stations have been granted 'must-run' status and this status of 'must run' remains unchanged during the period of lockdown.

**(b). Regular Payment to RE Generating Stations:**

Since DISCOMs have already been given sufficient relief as mentioned in para (1) above and as electricity from Renewable Energy (RE) Generating Stations comprises only a minor portion of the total electricity generation in the country, the payments to RE generators be done on regular basis as was being done prior to lockdown as per procedure established since 1.8.2019.

4. These clarifications are issued with the approval of Hon'ble Minister (NRE & Power).
