| 14 | Kerala | Lockdown to be eased in Kerala; public transport to resume partially from June 17, 2021. Public transport will be allowed on moderate level from June 17, 2021, onwards. Also, strict restrictions will be enforced in the state on Saturday and Sunday. Public transport will be allowed in a limited manner. For interstate road transport of individuals on emergency purposes, registration on Covid19 Jagratha portal is mandatory. As per regulations imposed by State Governments, all passengers arriving at Kerala must have a valid e-pass after registering their details in state's COVID Jagratha portal, without which the passenger will not be permitted to exit the airport – | <ol style="list-style-type: none"> 1) Kerala to lift lockdown restrictions from June 17, 2021, cluster-wise curbs to continue. The Kerala government has decided to ease the state-wide lockdown restrictions imposed to contain the second wave of the COVID pandemic. 2) Industrial and agriculture-related activities will be allowed everywhere. 3) There will not be any restriction for labourers engaged in these works to travel. 4) All shops selling essential commodities can be open from 7.00 AM to 7.00 PM. 5) Central and state government offices, public sector undertakings, government companies, commissions, corporations, and local self-government institutions can function everyday with 25 per cent of the staff strength on a rotation basis. 6) In the secretariat, 50 per cent of the staff have to be present on a rotation basis. 7) Restaurants can continue with home delivery/takeaway services. Dine-in is not allowed. 8) Bevco outlets and bars can function from 9.00 AM to 7.00 PM. Slots have to be booked using app. 9) Only a maximum of 20 people is allowed to attend marriages and funerals. No other gatherings or public functions are allowed. 10) Tourism, entertainment events and indoor activities causing crowds are not allowed. | Local bodies having a TPR of above 20 per cent and below 30 per cent can open only shops selling essential commodities daily. They can function daily from 7.00 AM to 7.00 PM. Other shops can be open only on Friday, from 7.00 AM to 7.00 PM. The chief minister called this "complete lockdown". In local bodies with a TPR above 30 per cent, there will be triple lockdown. And in these local bodies, COVID tests will also be increased in proportion with the TPR. In other words, there will be far higher tests in local bodies with over 30 percent TPR than in areas where the TPR is low. | Savio Mathew 9895759648 savio.mathew@ficci.com |

| 29 | Uttar Pradesh | An antigen test has been made mandatory at all railway stations, airports, and bus stations across UP. Inspections are in full swing by authorities to ensure that these safety measures are being followed diligently. On arrival, all passengers have to give an account of their names and address, to ease the process of contact tracing in any emergency. The guidelines also entail that those without masks will not be permitted to enter any establishment in the city. Help desks will also be established on the premises at all big institutes which need to ensure that all visitors are sanitised at the entrance. People also need to maintain social distancing at public places to maximise safety against the virus contraction. Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry. It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies.

FICCI provides a platform for networking and consensus building within and across sectors and is the first port of call for Indian industry, policy makers and the international business community.
